

2009-2010
Department of Coatings & Polymeric Materials
Scholarships

The Department of Coatings & Polymeric Materials provides over \$22,000 in scholarships to undergraduates each year; with individual awards typically varying from \$1000 to over \$4000 per applicant depending on applicant qualifications. Every year our scholarship funding exceeds the number of applicants. **If you would like to be considered for a scholarship, you must apply by May 22nd, 2009.**

To receive scholarships you must:

- Be enrolled at NDSU.
- Have declared the CPM Minor.
- Take the CPM Minor Coursework.
- Maintain at least a 2.7 GPA.
- Be making satisfactory progress towards your undergraduate major
- Attend CPM related functions when called upon.
- Provide the department with a scholarship donor letter of appreciation before the end of each academic year, which will be forwarded to the donor by the department.

Include with your application:

- A copy of your current transcript (**with grades from Spring 2009**)
- A list of all courses you expect to take next year
- A letter of application. Please include your intent to continue the CPM minor and your career plans/interests.

Please bring application to:
Dr. Victoria J. Gelling
Room 212A, Research 1,
NDSU Research and Technology Park

*Applications with incomplete information, for which you are responsible, will not
be acted upon.*
