

ANNOUNCEMENT

2008 ND EPSCoR State Conference
GRADUATE AND UNDERGRADUATE STUDENT Poster Session
September 19, 2008
Abstracts due NOON, August 29, 2008

The ND EPSCoR 2008 Graduate and Undergraduate Student poster session will be held as a part of the ND EPSCoR 2008 State Conference on September 19. The conference will be in the Memorial Union at UND. Please register for the Conference and meals at www.ndepscor.nodak.edu PRIOR to September 11, 2008.

Instructions for preparing the poster and abstract are attached. A program with the abstracts will be printed. **ABSTRACTS MUST BE RECEIVED ON OR BEFORE NOON, FRIDAY, August 29** in order to be included in the printed program. Register your Poster Abstract by email to cathy_lerud@und.nodak.edu. Please follow the Abstract Registration Instructions carefully. If you have any questions, please contact Cathy either via email or phone at 701-777-2511.

The poster session is designed for and preference will be given to the undergraduate and graduate students to showcase work that is supported wholly or in part by EPSCoR or IDEa funds.

Students sometimes express concern that their data collection will not be finished until after the poster session. The poster can still address the hypothesis and methods even if the data are incomplete. Please do not feel that the stage of your research reflects on your poster presentation.

Because this is a student poster session, students should be the lead author of the poster. However, please discuss the authorship of your poster with your mentor and follow her or his guidance.

Gary E. Johnson, Ph.D.
Co-Project Director
