

## Physics

---

 [www.aip.org](http://www.aip.org)

**AMERICAN INSTITUTE OF PHYSICS** – non profit organization for the advancement of physics. Large site with many links including an Employment and Industry linking to a career services page where jobs can be posted (also banner advertisement), and resumes may be viewed along with information about job fairs. Also a link to *Physics* today journal.

 [www.physicstoday.org](http://www.physicstoday.org)

**PHYSICS TODAY** – a related site to the American Institute of Physics, Physics Today is the website for the journal of the same name. Within the issues as well as on the web page, you can advertise and post a job on the Physics Today Information Exchange.
