

 www.ncfr.org

NATIONAL COUNCIL ON FAMILY RELATIONS – membership organization for professionals dedicated to research study and education of families. There is access to two prominent journals with advertising information available, however, most of the benefits including member directory, databases, expert searches and job posting is through membership only.

 www.s-r-a.org

SOCIETY FOR RESEARCH ON ADOLESCENTS – international organization dedicated to research and study of adolescents. The website provides links to the Journal of Research on Adolescence and also the SRA newsletter. Both have advertising available, and can also be posted on the website in the What's New Announcements section.

 www.srcd.org

SOCIETY FOR RESEARCH IN CHILD DEVELOPMENT – international organization for professionals in many different disciplines in human development. The website provides the membership information, links to related publications, and a Job Opportunities/Announcements page where ad placement information is available.
