RECEPTION

Following each ceremony, a reception will be held in the east lobby of the FargoDome. Light refreshments will be served.

PHOTOGRAPHS

Professional photographers will be available to photograph each degree candidate before and during the ceremony. Degree candidates will receive information from Jolesch Photography regarding the option to purchase prints. Photos may be viewed and purchased through www.jolesch.com.

Guests may not enter the field level. For those who want to take photographs after the ceremony, special photo areas have been set up in the northwest and northeast corners of the concourse level and in the main lobby on the east side of the FargoDome.

DVD COPIES OF CEREMONY

DVD ordering information can be found at www.ndsu.edu/commencement.

HONORARY DOCTORATE

ESTHER MYERS
HONORARY DOCTOR OF LAWS

North Dakota State University alumna Esther Myers is a respected, long-time national leader in the area of nutrition and dietetics.

She is the chief science officer at the American Dietetic Association, which is the world's leading organization for food and nutrition professionals. With headquarters in Chicago, the ADA strives to improve the nation's health and advance the dietetics profession through research, education and advocacy.

Myers' current efforts focus on research activities needed for the development of the dietetics profession and the ADA Foundation's initiative "Healthy Weight for Kids." Previously the director of research and scientific affairs for the association, she has been involved in the development of ADA's evidence analysis process and research focusing on evaluating the impact of nutrition services in Medicare demonstration projects.

Myers joined the ADA in 2000, after a 25-year career in the Air Force. Her last position was Director of Nutritional Medicine and Military Consultant to the Air Force Surgeon General, stationed at David Grant medical Center in California and Malcolm Grow USAF Medical Center in Maryland. While in that post, she was the human resource and program manager for nutritional medicine operations with an annual budget of \$47,500,000, which provided services for 2.7 million beneficiaries in the U.S. Air Force.

Prior to her work with the ADA, Myers was a site visitor for the Commission on Accreditation for Dietetics Education, peer reviewer for the Journal of the American Dietetic Association and member of the ADA's Standards of Education Committee and Health Services Research Task Force. She is a reviewer for the Institute of Medicine,

Food and Nutrition Board and a member of the Workgroup on Professional Uses of Dietary Reference Intakes for the National Academy of Sciences.

Myers earned her undergraduate degree in food and nutrition from NDSU in 1976, master's degree in human nutrition and food management from The Ohio State University, Columbus, in 1980, and her doctorate in human ecology and institutional management from Kansas State University, Manhattan, in 1989.

"Esther is outstanding. She moved up the military ranks as far as a person can go as a dietitian," said Virginia Clark Johnson, dean of NDSU's College of Human Development and Education. In 2009, Myers was named the college's Distinguished Alumna, and is an emeritus member of the college's Board of Visitors. "She gives back to the university through her time and expertise. She is a great role model, and is always willing to visit with students and faculty."

Myers' honors include the 1976 Col. Miriam E. Perry Award for outstanding graduate, 1985 Staff Educator of the Year at Malcolm Grow USAF Medical Center, 1987 Outstanding Young Professional from Ohio State University's College of Home Economics Alumni Association and 2002 Distinguished Research Award from the College of Human Ecology at Kansas State University. During her Air Force career, Myers earned three Meritorious Service Medals and two Air Force Commendation Medals.

"Dr. Myers demonstrates what a solid, cutting-edge education NDSU students have received over the years," said Craig Schnell, provost and vice president for academic affairs. "Our students really excel in their careers and life."

MAY 2010 CLASS REPRESENTATIVES

UNDERGRADUATE COMMENCEMENT SPEAKER

Sarah Schmitcke, a native of Hazelton, N.D., is receiving a Bachelor of Science degree in business administration and management. An outstanding student and active on the NDSU campus, Schmitcke has participated in Beta Gamma Sigma honor society, Society for Human Resource Management, Accounting Club and National Society for Collegiate Scholars. She also was chosen to represent NDSU at the annual Beta Gamma Sigma National Leadership Forum in Tampa, Fla. Schmitcke has been a member of the University Chorus and Concert Choir, and is vice president of the NDSU Hip Hop Dance Team. She also has volunteered for the NDSU Dance Marathon, Relay for Life and Nokomis Child Care Center.

GRADUATE/PROFESSIONAL COMMENCEMENT SPEAKER

Najla Ghazi Amundson is receiving a Doctor of Philosophy degree in communication. She grew up in Ohio, and is media relations director for NDSU University Relations. Her dissertation is titled "Prophet vs. Profit: Perspective by Incongruity and Mary Kay Ash's Corporate Rhetoric." During her career, she has held positions in television news, public relations, advertising, higher education and freelance media consulting. She earned her bachelor's degree in journalism at South Dakota State University in Brookings and her master's degree in journalism at Northwestern University in Evanston, Ill. Amundson's doctoral advisor is Mark Meister, Walter F. and Verna Gehrts Endowed Professor. She is married and has four children.

UNDERGRADUATE COMMENCEMENT SOLOIST

Lisa Ann Widner, daughter of Neil and Leslie Widner, is from Stephen, Minn. She is receiving a Bachelor of Music degree in music education; her minor is in public relations and advertising. Her student activities include the NDSU Concert Choir, NDSU Varsity Band, Sigma Alpha Iota International Music Fraternity, the NDSU Chapter of National Association of Music Education and the American Choral Directors Association.

GRADUATE/PROFESSIONAL COMMENCEMENT SOLOIST

Nicki Bakko Toliver is receiving a Doctor of Musical Arts degree in choral conducting. She is the music coordinator for Our Savior's Lutheran Church in Barnesville, Minn., and conductor of Bel Canto, one of Concordia College's women's ensembles. A member of the American Choral Directors Association, Minnesota Music Educators Association and Chorus America, she earned a Master of Music degree in choral music education and conducting from Arizona State University in Tempe and bachelor's degree from Concordia College, Moorhead.

TO THE MAY GRADUATE OF 2010

Congratulations on earning your degree. You may not notice the difference, but today, along with your colleagues, you have become an alumnus. For you, one era has passed; another is about to begin.

You are a member of the Bison family and will continue to carry the reputation of North Dakota State University through your activities and accomplishments. You exemplify the results of a good education: a critical mind, a discerning spirit, higher values, a sense of commitment and the privilege of service.

By virtue of graduation, you are a member of the Alumni Association. You will receive university publications, including the NDSU Magazine, Bison Briefs and college newsletters, which will keep you informed of the university's continuing pursuit of excellence. You will have access to enhanced features on the NDSU Alumni Association Web site. Services include an online directory listing your classmates, Web postcards, screensavers, event information, City Ambassadors to assist with relocation questions and e-mail forwarding. We hope these resources help you to stay in touch with your friends and classmates.

Your Alumni Association works closely with the NDSU Career Center to provide alumni services such as career networking, electronic job board, online resume posting, career fairs and events, resume critique, cover letter review, complimentary online access to career assistance Web sites, interview preparation and search strategies. All of the Alumni Association and Career Center services can be found at www.ndsualumni.com.

As an alumnus, you can assist the university in many ways. You can recruit highly qualified students. You can proudly represent NDSU through personal and occupational achievements. You can participate financially through the Development Foundation. You can work in a volunteer capacity to coordinate special events conducted across the United States and internationally.

To you, your family, friends and those who helped you arrive here today we extend our best wishes. You are joining a great family of more than 74,000 NDSU alumni working together to make a difference around the world. Welcome to the Alumni Association.

Go Bison!

THE ACADEMIC PROCESSIONAL

The academic procession that officially preludes the Commencement ceremonies on college and university campuses is one of the oldest and most colorful customs that link 21st century education with its early origins.

To signal the achievements of their students, American institutions of higher learning conduct a formal ceremony to award the appropriate degrees earned at the conclusion of prescribed study. The action of taking the degree — baccalaureate, master's, or doctorate, as well as the designation of the day itself — is Commencement. Various explanations of the term Commencement are possible. The most likely is that centuries ago the bachelor, originally an apprentice, began an apprenticeship upon that day; and with the degree of M.A. and Ph.D., — the masters and the doctors commenced their work upon the day their degrees were conferred. So today, students, having finished their preliminary education, set out upon the career for which they have prepared.

ACADEMIC APPAREL

As cited in *Academic Heraldry in America* (Sheard, 1962), the academic regalia worn at Commencement is of medieval origin. The scholars of Bologna, Salamanca, Paris, Oxford, Cambridge, Louvain, and Heidelberg dressed in a manner to distinguish themselves from the merchants and other townspeople. Since the 11th century, when the rise of the universities began, “learned clerks” robed themselves in gowns, caps, and hoods, thus marking a difference between “town and gown.”

By this apparel they were recognized as belonging to the teaching guild, which was the Guild of the Master of Arts. In this organization the bachelor was the apprentice of the master. This relationship was the forerunner of today's academic structure.

Today, customs vary in different parts of the world. Generally in Europe, professors wear the type of garment customary in the university where they are lecturing. In the United States professors continue to wear the gown and hood of the university from which they received their highest degree. The gown, in origin, may have been simply a type of overcoat to protect the teacher from the cold in the unheated buildings; the cut or style seems to be derived from ecclesiastical attire. It has usually been black; however, in recent years some institutions have adopted a school color for their gowns. The gowns of bachelors and masters are usually without trimmings of any sort, whereas those of doctors are faced down the front with velvet and adorned with three velvet bars on the sleeves.

The cap or “mortarboard” may have come from the squarish cap worn by the masons of the Middle Ages, or perhaps was suggested by the shape of the books that occupied so much of the time of the scholar. Attached to a button atop the “mortarboard” is a tassel; bachelor's and master's are black or color appropriate to the subject; those of doctors are black or golden. The tassel is worn on the left side by those who are receiving or have received a degree. For photography purposes, a candidate's tassel may be worn on the right side of the mortarboard.

The hood, a triangular fold of cloth worn over the back of the gown, is faced with colors which denote the field of study represented by the wearer's degree; the colors of the lining are those of the college or university by which the degree was granted. The length of the hood is correspondingly longer with each higher degree.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods, are colored according to the scholarly field of the wearer. The most usual of these doctoral hood colors are the following:

<i>white</i>	Arts, Letters, and Humanities
<i>copper</i>	Economics
<i>light blue</i>	Education
<i>orange</i>	Engineering
<i>brown</i>	Fine Arts
<i>crimson</i>	Communication
<i>purple</i>	Law
<i>lemon</i>	Library Science
<i>pink</i>	Music
<i>dark blue</i>	Philosophy
<i>sage green</i>	Physical Education
<i>gold</i>	Science
<i>scarlet</i>	Theology
<i>salmon pink</i>	Public Health

While the arrangement of colors is pleasing to the eye and add beauty and impressiveness to ceremonial processions, there is historic significance attached to their selection. The white for arts and letters comes from the white fur of the Oxford and Cambridge B.A. hoods. The red for theology, as used by cardinals for centuries, follows the traditional color of the church and signifies ardent love and zeal for the faith. The purple for law comes from the royal purple of the king's courts. The green for medicine, from the stripe in the army surgeon's uniform, and earlier from the color of medicinal herbs.

The degrees in philosophy are shown by blue, the color of truth and wisdom. Science by gold-yellow, which signifies the wealth

contributed by scientific discoveries. Pink was taken from the pink brocade prescribed for the Oxford doctors of music. Olive, a shade of green, was selected for pharmacy, which is closely allied to medicine; while russet brown, the color of dress worn by old English foresters, indicates forestry.

At North Dakota State University the color of the tassel signifies the college in which the degree is earned:

<i>maize</i>	Agriculture, Food Systems, and Natural Resources
<i>lilac</i>	Architecture
<i>white</i>	Arts, Humanities and Social Sciences
<i>drab</i>	Business
<i>light blue</i>	Education
<i>orange</i>	Engineering
<i>maroon</i>	Human Development
<i>apricot</i>	Nursing
<i>olive green</i>	Pharmacy
<i>golden yellow</i>	Science and Mathematics
<i>white</i>	University Studies

UNIVERSITY MACE

The mace has an ancient history of use as a symbol of authority. Originally used by knights or a royal bodyguard to protect a king in processions, the mace evolved to assume more ceremonial functions by the 14th century. Today, as a symbol of order and authority, the NDSU mace is carried by the Stage Marshal, the presiding officer of the University Senate, before the president and other platform party dignitaries in Commencement processions. Upon reaching the stage, the mace is traditionally placed to the right of the speaker.

GRADUATION HONORS

WITH HONOR: Graduation with honor applies only to the baccalaureate and Pharm. D. degrees. Graduate courses will not be included in the computation. Candidates who entered NDSU as freshmen and who have earned an institutional grade-point average greater than or equal to 3.50 and less than 3.70 will be graduated Cum Laude, an institutional grade-point average greater than or equal to 3.70 and less than 3.90 will be graduated Magna Cum Laude, and an institutional grade-point average greater than or equal to 3.90 and up to 4.0 will be graduated Summa Cum Laude. Candidates with transfer credits must meet the institutional grade-point average qualifications with the above criteria for all credits earned at NDSU, as well as a cumulative grade-point average for all credits earned including those from transfer work. All grades and all attempts of repeated courses will be included in grade-point average calculations for graduating with honor. The honor medallion is a gold medallion on a yellow ribbon and is worn around the neck. The medallion features the NDSU seal.

Other academic honors include the following:

BETA GAMMA SIGMA, *international business honor society*: A blue and gold cord is worn around the neck. Students, by class, that qualify are: juniors, top 7 percent; seniors, top 10 percent; and MBA students, top 20 percent.

BLUE KEY, *national honor society*: A blue and gold medallion with a blue ribbon is worn around the neck. Blue Key recognizes students for remarkable leadership and outstanding service to the university and the community. Academic achievement of members must be within the top 35 percent of their class.

GAMMA SIGMA DELTA, *international agriculture honor society*: A forest green and light tan honor cord is worn around the neck. Membership is conferred upon selected students who have demonstrated superior teaching, research, or service to agriculture while maintaining a 3.5 grade-point average. Members represent agricultural excellence at the undergraduate, graduate, and post-graduate levels.

GOLDEN KEY, *international honor society*: A gold medallion on a blue and gold ribbon is worn around the neck. Golden Key recognizes juniors and seniors from all disciplines who are in the top 15 percent of their class.

LAMBDA BETA HONOR SOCIETY, *national respiratory care honor society*: A forest green and black ribbon pin is worn on the gown. Members must have completed at least 50 percent of their course work and rank academically in the top 25 percent of the respiratory care class.

LAMBDA PI ETA, *national communication honor society*: A gold cord is worn around the neck. To qualify, members must have a cumulative grade-point average of 3.0 with a 3.25 in their human or mass communication major courses.

MORTAR BOARD, *national honor society*: A gold medallion is worn around the neck. Mortar Board recognizes college seniors for distinguished ability and achievement in scholarship, leadership and service. Members must also meet at least a 3.0 grade-point average.

NATIONAL RESIDENCE HALL HONORARY: A navy blue honor cord is worn around the neck. To qualify, members must demonstrate leadership and academic qualities within the top 1 percent of the residence hall population.

PHI ALPHA THETA, *national history honor society*: A pale blue and red cord is worn around the neck. Members represent excellence in historical research at all levels: undergraduate, graduate and post-graduate.

PHI ETA SIGMA, *national honor society*: A black and gold cord worn around the neck. To qualify, students must have a 3.50 institutional grade-point average at the close of any full-time semester during their first year.

PHI KAPPA PHI, *honorary scholastic society*: A white ribbon with a maroon Grecian key design is worn on the left shoulder of the gown or a gold medallion with blue ribbon is worn around the neck. Members are chosen from among those students in the top 10 percent of their class.

PHI UPSILON OMICRON (PHI U), *honorary Human Development and Education society*: Double cords of entwined purple, white and yellow are worn around the neck. Academic achievement must be within the top 35 percent of majors in the field who qualify for membership.

PI SIGMA ALPHA, *national political science honor society*: A cloissonné, medallion on a red ribbon, is worn around the neck. To qualify, students must have a cumulative grade-point average of 3.0 and have a 3.0 grade-point average in all political science courses.

PI TAU SIGMA, *international mechanical engineering honor society*: A white stole with the Pi Tau Sigma coat of arms is worn around the neck. To qualify, juniors in the mechanical engineering program must be in the top 25 percent of their class; as non-graduating seniors, members must be in the top 35 percent of their class.

PSI CHI, *national psychology honor society*: A blue and silver medallion on a blue and yellow ribbon is worn around the neck. To qualify, members must have a 3.0 cumulative grade-point average, a 3.50 major grade-point average and rank in the upper 35 percent of their class.

RHO CHI SOCIETY, *national pharmacy honor society*: A purple and white honor cord is worn around the neck. To qualify, members must have completed their second year of the professional program. Membership is offered to the top 20 percent of the class.

SIGMA THETA TAU, *international honor society of nursing*: An orchid and white cord is worn around the neck. To qualify, members must have a 3.0 grade-point average, rank in the upper 35 percent of their nursing class, and meet the expectation of academic integrity.

TAU BETA PI, *national engineering honor society*: A white satin collar with the Bent embroidered in gold is worn around the neck. To qualify as juniors, members must be in the top one-eighth of their engineering class; as seniors, members must be in the top one-fifth of their engineering class.

TAU SIGMA DELTA, *national architecture honor society*: A white stole with gold embroidery is worn around the neck. To qualify, juniors or seniors must have a 3.0 grade-point average and be in the upper 20 percent of their class.

UNIVERSITY HONORS PROGRAM: A gold medallion on a green ribbon is worn around the neck. Honors Program graduates have completed, in addition to their primary majors, a four-year curriculum of interdisciplinary honors courses and have produced and publically presented a senior honors thesis.

UPSILON PI EPSILON, *national computer science honor society*: Medallion with burgundy ribbon is worn around the neck. To qualify, undergraduate students must be upperclass status in the top 35 percent of their class and have a minimum grade-point average of 3.3, with at least a 3.5 grade-point average in 24 or more credits of computer science courses. Graduate students must have at least 18 upper division computer science credits with a minimum grade-point average of 3.5.

NDSU

THEN

North Dakota had been a state a little less than a year when Governor John Miller signed a bill on March 8, 1890, designating a square mile of land adjoining Fargo as the site of the new campus and demonstration farm under the name, North Dakota Agricultural College (NDAC).

A commitment to the federal government was honored by establishing a college of agriculture and mechanic arts under the Morrill Act of 1862. The course of studies was to be a “Harmonious blend of technical and academic subjects.”

Known as a “people’s college,” NDSU was part of a bold new experiment to provide access to a college education for the common person. That was how it started.

NDSU

NOW

NDSU is a university of choice, with a growing number of faculty in the classroom, expanded choices in academic majors, new and better teaching facilities, and improved living arrangements.

NDSU is moving forward because of the energy and dedication of faculty, staff, students, alumni and friends. NDSU’s enrollment is at a record level for undergraduate and graduate programs, annual research expenditures surpass \$110 million, and new doctoral programs give NDSU students the graduate program mix of a national land-grant university.

NDSU’s transformation is guided by five campus themes: It’s About People, Students Are Paramount, Programs, Leveraging Support, and Stature. Three qualitative principles also have been added: Inclusive, Responsive and Excellent. The themes express the university’s desire to be a national research/doctoral university while maintaining a sharp focus on serving the needs of individuals and the greater society.

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.

While every effort is made to ensure accuracy in this Commencement program, printing deadlines may result in omission of some names and use of names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record, kept by the Office of Registration and Records.

North Dakota State University does not discriminate on the basis of age, color, disability, gender identity, marital status, national origin, public assistance status, race, religion, sex, sexual orientation, status as a U.S. veteran. Direct inquiries to the Vice President for Equity, Diversity, and Global Outreach, 205 Old Main, (701) 231-7708.

THE YELLOW AND THE GREEN

WORDS BY A.E. MINARD / MUSIC BY DR. C.S. PUTNAM

Ho, a cheer for green and yellow
Up with yellow and the green,
They're the shades that deck our prairies
Far and wide with glorious sheen,
Fields of waving green in springtime
Golden yellow in the fall —
How the great high-arching heaven
Looks and laughs upon it all.

STAR SPANGLED BANNER

BY FRANCIS SCOTT KEY

Oh, say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thru the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?
