Substitution / Transfer Credits / Continuous Enrollment

All substitution/transfer credits listed above must be listed here. Include the name of the institution. Official transcripts showing completion of credit to be transferred from other institutions must be on file in the Graduate School PRIOR to approval of the Plan of Study. Continuous registration is required until all the requirements of the degree are completed, including the AC/CPC exam. If all coursework is complete and a passing grade in the exam has not been achieved, then the student must register for CM&E 793 - Individual Study/Tutorial (1 credit) each semester (fall and spring) until successfully passing the exam.
