Native American Heritage: Billy Mills

This event will take place on November 6th at 7:00 pm in the Great Plains Room.

Billy Mills shocked the world when he came from behind to win gold in the 10,000-meter race during the 1964 Olympics in Tokyo. At the time, he set the world record, and remains the only American to win gold in the 10,000 meters race.

Mills was raised on the Pine Ridge Reservation in South Dakota as part of Oglala Lakota, one of seven subtribes of the Lakota people. He earned a track scholarship to the University of Kansas and later served in the U.S. Marine Corps.

Today, Mills is the national spokesperson for Running Strong for American Youth. As guest speaker for NDSU's Native American Heritage Month, Mills will share his heroic story on the track, his quest for more than a medal and his work to inspire youth. The presentation is free and open to the public.

Ron Spriggs Exhibit of Tuskegee Airmen

This event will take place on November 12th at Noon in the Memorial Union Century Theater

Ron Spriggs, oral historian and eight-year U.S. Air Force veteran, will highlight the legacy of the Tuskegee Airmen, determined young men who enlisted to become America's first black military airmen and who overcame segregation in the defeat of the Axis Powers of WWII.

Welcome to National Native American Heritage Month

This month is National Native American Heritage Month! Happy November! Just a few reminders about this month's events. In the newsletter we have Billy Mills coming to speak on November 6th and Also Ron Spriggs on November 12th. Hope your Halloween was great!
