

NDSU Strategic Planning Committee
April 15, 2011
Bentson Bunker Fieldhouse, Room 101A
10 – Noon

Welcome and introductions

Review agenda for the meeting

Review themes from Discover and Dream data generated at March 18th meeting

- Questions to consider: Any changes in the theme names, addition of themes that were missed?
 - Small group work
 - Large group report out

Prioritization of themes from Discover and Dream data

- As your group prioritizes the data, ask yourself what attributes are most important when determining excellence, the “best of the best”, in academic and research programs.
 - Small group work
 - Large group report out

Large group discussion of criteria to send to President Bresciani

Next steps

Thank you for your service☺.
