

PRESIDENT'S CABINET MEETING AGENDA

July 24, 2023

STRATEGIC PRIORITIES TRANSFORMING NDSU INTO A STRONGER LAND GRANT, STUDENT FOCUSED, RESEARCH UNIVERSITY.

GUIDING PRINCIPLES

In the process of transforming, we are guided by five guiding principles that are aligned with our strategic plan:
Enhancing enrollment, retention and student success • Prioritizing NDSU's Research-1 Carnegie classification status as a top research institution • Investing in the well-being of the people across the NDSU community • Building a stronger culture of diversity, inclusion and respect • Embracing NDSU's critical role as a land-grant university

KEY STRATEGIES

Three key strategies for transformation include:

Right-sizing operations through college mergers and academic program efficiencies • Strategic investing in opportunities that will enhance our academic enterprise and improve retention and enrollment, and • Modernizing our financial infrastructure through an incentivized budget model for colleges and reorganizing how financial services are delivered.
