

23rd Annual Day of Caring

On Thursday, October 9th, United Way of Cass-Clay held its 23rd Annual Day of Caring. This was the largest turnout EVER for this event!

1,872 volunteers
405 senior citizens
10 organizations

Volunteers helped with projects around local seniors homes and organizations such as light cleaning, raking leaves, prepping lawns, and landscaping for winter, cleaning gutters, organizing and more. Seniors are always so grateful for the help that they receive as many of them would be unable to complete these projects without the help of these generous and caring volunteers.

Thank you to all of the volunteers that LIVED UNITED!
