

# 2014 United Way of Cass-Clay School Supply Drive

Thanks to the incredible support from individuals and businesses in the community, in the last 6 years, over 25,000 backpacks full of brand new school supplies have been distributed to local Cass and Clay County K-12 grade students. The United Way School Supply Drive exists to remove one barrier that local families have to learning. We know that when a child goes to school with the tools they need on the first day they are prepared to learn.

## Let's Do The Math!

14 Days of volunteering at the FARGODOME

450+ Volunteers
