University Apartment Newsletter November 2008

Apartment Snow Removal Procedures

You will learn of snow removal through a memo and an e-mail from the Residence Life Office. Included in this memo will be the date, time and specific lot(s) that will be cleaned.

Whenever the accumulation of snow is such that the parking lot(s) need to be cleaned, you will need to move your car to the specific area listed on the memo. If your vehicle has not been moved when the process is ready to begin, it will be towed to the west side of the Niskanen parking lot (UV Residents) or the north end of the R lot (Bison Court Residents). A towing charge will be added to your

university account.

Note: In addition to the above information, semester break will soon be here. You will need to make plans to move your vehicle during the semester break in case snow removal needs to take place. You will need to find someone who is willing to move your vehicle or else it will be towed. **Please plan for this eventuality. The excuse that you were out of town and did not see the notice will not excuse you from the charge for towing your vehicle.**

Did You Know?

- There are only about six weeks left of the semester! It is time to start preparing for the end of the year!
- You must submit a vacating notice even if you are graduating this semester.
- Daylight savings ends on Sunday.
- Make sure you set your clocks back one hour on Sunday morning.
- You will get an extra hour of sleep!

University Village Antenna Service

The basic antenna service provided for University Village is no longer in service. This means that if there are problems with your TV reception it is your responsibility to have this repair made. The reason for this is because of the transition to digital in February, 2009.

TV sets that currently receive programming through cable or satellite are not likely to be affected by the transition. However, TV sets that rely on “over the air” broadcasting with an antenna (set-top or rooftop) to receive a signal will be affected by the cutoff of analog broadcasts in 2009. You will need to consider one of the following options: Purchase a digital-to-analog converter box that plugs into an existing television. The boxes, which are expected to

cost \$40-70 will be available for purchase in 2008. Beginning in February 2008, U.S. households can request up to two coupons valued at \$40 each. Each coupon can go toward the purchase of a single set-top converter box that will allow you to continue watching FREE “over-the-air” television on an analog set. Subscribe to cable, satellite or telecommunications service provider if all desired local broadcast stations are carried by that service. Purchase a new television set with a built in digital tuner. This information and further answers to questions you may have can be found at www.dtvtransition.org.

How May We Help You?

If you have questions or concerns please contact a complex manager

- Sisika Ranaweera and Mangala Ganehiarachchi:
263 University Village
Phone: 231.4177
- Cassie and Andy Wahl:
26 University Village
Phone: 231.4026
- Emily Olson:

Phone: 231.4175

Apartment Repairs

Please call Service & Repair at 231.7282. Please be ready with your name, apartment #, telephone # and a description of the problem.

A Few Important Pieces of Information

Repairs in your Apartment – Please report any repairs issues to our service and repair staff at 1-7282. If it is after hours or on the weekend, please contact any of the complex managers for assistance.

Vacating Reminder – If you are planning on vacating your apartment at the end of fall semester you need to submit a written 60 day vacating notice. You

need to submit this document even if you are graduating. In order to avoid any late fees please plan ahead. You will also need to schedule your check-out appointment with your complex manager at least five days in advance of the date you are leaving. The form is available on-line or at the Residence Life Office.

Upcoming Programs in November

**NDSU vs. SDSU Bison
Football Game!**

**Saturday, Nov. 22nd
6:00 PM**

We will also be having a Thanksgiving (turkey party) at the end of the month! More information to come!
