

Crew Assignments (Theatre Practicum Design/Tech Opportunities)

All available crew positions for upcoming productions are posted on the callboard and are announced at the monthly theatre meetings. Students are encouraged to sign up for those in which they are most interested; however, final assignment will be made by the faculty. Design/Technology students are expected to accept each production duty as assigned by the faculty, unless a waiver has been submitted and approved.

See Addendum VI of this handbook for Descriptions of Design and Technical positions and examples of the Theatre Practicum Contract and Student Evaluation.
