

North Dakota Nutrition Council Mini Grant Application

Purpose: To provide council members access to funding to enhance nutrition education programming. Eligible uses of grant funds include the purchase of educational materials/equipment/curriculum, defraying costs of conducting programs, and the development of materials. Personnel time is excluded.

Grant(s) Amount: up to \$500

Directions: Submit this application with a one to two page proposal. Proposal should include: a) title of program/project, b) description of the program/project, c) goals, d) proposed time line, e) evaluation plans, f) proposed budget, and g) potential sources of additional funding.

Applications will be evaluated on the program/project's relevancy to one of the following goals of the North Dakota Nutrition Council: a) to disseminate nutrition information and to publicize available nutrition education resources, b) to create an awareness of the nutritional value of and uses for North Dakota products, c) to publicize existing food and nutrition programs and services and to make recommendations to the public, d) to provide accurate information to people who are dispensing nutrition information, e) to sponsor and support seminars, symposiums, conferences on food and nutrition issues.

Preference will be given to projects that have the potential for broad applications. Nutrition/physical activity projects will qualify if the nutrition education component is clearly stated and has relevancy to one of the NDNC goals.

The selection subcommittee will be comprised of three to five NDNC members. One committee member will be the immediate past president (chair), and at least one will be a non-board member. Notice will be given to grantees by February 1, 2010.

Reports: Awardees must exhibit their program highlights at the next NDNC convention through a display.
