General Education Requirements

These requirements apply to all students who enter NDSU in pursuit of a baccalaureate degree.

NDSU has alphabetic indicators to identify its general education categories as shown on the following list of category requirements. The alphabetical indicators are used primarily on departmental curriculum guides to facilitate program planning.

Students transferring to NDSU from a North Dakota University System institution who have completed the 36-credit general education requirements of that institution will have completed the lower-division general education requirements at NDSU.

NDSU courses commonly accepted in transfer as general education courses at other ND University System institutions are designated in parentheses after the course title on the following list of approved courses. For example, the designation (ND: Hum) indicates general approval of that course for ND University System transfer in the humanities category. For cross-listed courses, an underlined prefix indicates the GERTA approved listing. (The general education category requirements across ND University System institutions are similar, but not identical.)

Students transferring from non-ND University System institutions will have their general education requirements evaluated on a course-by-course basis when they enter NDSU.

NOTES:

- Only courses approved by the University Senate Standing Committee on General Education and by the University Senate may be used to fulfill category requirements.
- Before making course selections, students should check with their advisers for possible additional college requirements.
- Updated lists of approved courses are printed as a centerfold in the registration schedule for each term.

Category Requirements

Credits

First-Year Experience Course

(Alphabetic Indicator = F)1

A first-year experience course is required of all entering freshmen and new students who transfer fewer than 24 semester credits to NDSU.

CATEGORY 1: Communication

(Alphabetic Indicator = C)9

- Comm 110, Fund of Public Speaking or equivalent(3)
- Engl 110, College Composition I(3)
- Engl 120, College Composition II or equivalent(3)

CATEGORY 2: Quantitative Reasoning

(Alphabetic Indicator = R)3

- CSci, Programming, e.g., BASIC, COBOL, FORTRAN
- Math 104, Finite Math or 146 or higher
- Stat 330, Introductory Statistics or higher

CATEGORY 3: Science and Technology

(Alphabetic Indicator = S)10

- Courses in the areas of the natural sciences, the physical sciences, and technology are included in this category.
- A minimum of 4 general education credits must be in natural or physical sciences.
- A one-credit laboratory course must be taken as a co-requisite with one of the general education science and technology courses.

CATEGORY 4: Humanities and Fine Arts

(Alphabetic Indicator = A)6

- No more than 3 of the 6 credits may be in fine arts performance.
- Any performance courses must be in addition to those required for the student's major.

CATEGORY 5: Social and Behavioral Sciences

(Alphabetic Indicator = B)6

CATEGORY 6: Wellness

(Alphabetic Indicator = W)2

Required is a 2-credit course focused on wellness that integrates at least two of the four following areas of lifelong wellness: emotional well-being, nutrition, physical activity, and psychological development.

REQUIREMENTS WITH NO ADDITIONAL CREDITS:

CATEGORY 7: Cultural Diversity

(Alphabetic Indicator = D)

This requirement may be met by 3 credits taken as part of the 6 credits required in the humanities and fine arts or as part of the 6 credits required in the social and behavioral sciences in a course approved for cultural diversity.

CATEGORY 8: Global Perspectives

(Alphabetic Indicator = G)

This requirement may be met by 3 credits taken in any department as part of the 36 credits required for general education or as part of a student's major in a course approved for global perspectives.

CATEGORY 9: Computer Usage Integrated in All Majors

CATEGORY 10: Communication Activities in Upper-Division Major Courses

CATEGORY 11: Comprehension of Personal and Professional Ethics Integrated in Majors

CATEGORY 12: Capstone Experience in All Majors
