

Wait List Instructions

Using the Wait List Feature

1. When attempting to register for a class that has reached its enrollment capacity, an "OK to Wait List?" check box will appear.
2. If you wish to be on the Wait List, check the box and click 'submit.'
3. You may view your order on the wait list.
4. Check your Study List regularly to see if it has been added to your schedule of classes.

NOTE: You will not be automatically notified when added to a course via the Wait List. If you no longer wish to be enrolled in a course, you are responsible for dropping it according to posted dates and deadlines.

5. After the seventh class day of a term (adjusted accordingly for variable length courses), the Wait List feature will no longer be active. Check with academic departments for Class Permit and enrollment options.
6. The Wait List feature is not utilized by all departments and classes.
7. To remove yourself from a Wait list, simply 'Drop' the class following the instructions under Add and Drop Classes.
