Articulation Agreement

North Dakota State University (Fargo, ND) and North Dakota State College of Science (Wahpeton, ND)

Year: **2004/2005** Program: **Pharmacy**

The following information pertains to the 2004-2006 NDSU catalog.

Students completing the NDSCS courses below with a grade of C or above may transfer them to NDSU in fulfillment of the corresponding courses required for consideration for admission to the pharmacy program. Students planning to transfer to NDSU should have phone or email contact with an advisor from NDSU. Students may call the College of Pharmacy at (701) 231-6259.

NDSU Courses			**NDSCS Courses**		
Communication Requirements					
*COMM 110	Fundamentals of Public Speaking	3	COMM 110	Fundamentals of Public Speaking	3

Wellness Requirements					
Elective		2	**Elective		2
Global Perspectives Requirement (*Satisfied by Econ 201 or ECON 105)*					3
Cultural Diversity Requirement**					3

*These courses will be used for selection criteria to determine GPA used in calculation for admission to professional program. All must be completed by end of spring term prior to admission.
**Humanities & Fine Arts, Social & Behavioral Sciences, and Wellness electives may be fulfilled with any GERTA courses under the same category.
**The Cultural Diversity requirement may be fulfilled within other general education categories. Check with an advisor for courses that meet this requirement.

A minimum cumulative GPA of 3.00 in college course work and a minimum of 65 credits are required for evaluation for admission to the pharmacy program. Actual admission "cut off" is generally much higher.

Applications for admission to the pharmacy program must be made by January 1 of the sophomore year in pre-pharmacy for fall semester admission.

Selection committees will evaluate applicants for admission to the pharmacy program based on college records, state residency, PCAT scores, and other pertinent information. A personal visit, which includes an impromptu essay written during the visit, may be part of the evaluation process.
