[Intercollegiate Bowling Team of NDSU]

[Our bowling team, which represents NDSU, has performed well enough this season to qualify for the Intercollegiate Team Championships (ITC) Sectional Qualifiers. The ITC Sectional Qualifiers Tournament is a semi-finals tournament at the end of the collegiate bowling season that only takes the top 64 teams. Since we have finished the season ranked in 35th place, we have been invited to participate in this event in St. Louis, MO and bowl for a chance at making it to the USBC Intercollegiate Team Championships in Wichita KS. This event also includes a singles event where our bowlers can compete for an individual title against some of the best collegiate bowlers in our section. This is a great opportunity for our bowlers, however it adds another day to the length of the tournament, thus making this trip a necessary three days we will need a hotel room. Also with the nature and importance of this tournament, we will be bringing the maximum of 8 bowlers on this trip, and with our coach included, we will need three hotel rooms. Given the high travel costs, hotel costs, and entry fees already usual with our team, as well as the extra room and extra days stay as outlined above, we would greatly appreciate and benefit from financial help with these costs from the university.]

If there are any questions about the tournament or this Contingency Request please contact:

Zack Wilhelmi, Treasurer, Intercollegiate Bowling Team of NDSU
Zachary.Wilhelmi@ndsu.edu
(701)-741-5012

Since this event has already taken place, the amounts requested are the actual totals paid by the team for this event.

[Travel costs/gas, to Fairview Heights IL]	\$587.34
[Entry fee to ITC Sectional Qualifier]	\$300.00
[Hotel costs, 3 rooms, 3 nights each]	\$689.31
TOTAL	\$1576.65

 Finance Recommends: \$ 1576.65

[American Society of Civil Engineers – Steel Bridge Team]

The NDSU Steel Bridge Team recently attended the regional steel bridge competition in Iowa City, IA. We are proud to announce that we won the competition and have been invited to compete in the National Student Steel Bridge Competition in Gainesville, FL. This is the 6th consecutive year finishing first at the regional level. With five previous national titles, NDSU is looking to build on its legacy in pursuit of a sixth title. In order to make this trip possible we need the financial help of NDSU Student Government. Over the course of each academic year, we pursue sponsorship from companies across the nation. These sponsors help us to cover the increasing costs of steel purchases and fabrication supplies. Though we would like to expect to attend nationals every year, we can't budget for these added expenses. Please consider our request and thank you for your time.

Sincerely,
Tim Durham

NDSU Steel Bridge Team Co-Captain
American Society of Civil Engineers

[Phi Beta Lambda]

During the weekend of April 3rd -5th members of the NDSU chapter of Phi Beta Lambda (Business Club) participated in the North Dakota State Leadership Conference. This conference consists of workshops, business tours, speakers, and competitive events. Placing 1st or 2nd in an event at the state level qualifies members to compete at the national level. Several members from NDSU qualified to compete in individual events at the National Leadership Conference in Atlanta Georgia this summer. Of the people who qualified, four people plan to attend the conference and compete. The conference is from June 21st-24th requiring four nights stay. The registration fee of \$105 does not include any food and that information is stated in the conference brochure which can be provided upon request.

Phi Beta Lambda members would love to have the opportunity to represent NDSU at the national level. We are requesting the following support to make this possible.

For further information regarding this request please contact the president at Andrea.Kramer@ndsu.edu or 952-412-3112.

[Airfare to Atlanta- \$350 *4]	\$1400
[Conference Registration- \$105*4]	\$420
[Hotel-\$90* 4 nights]	\$360
TOTAL	\$ 2180

Finance Recommends: \$ 1671

[Miss NDSU]

The Alpha Tau Omega fraternity is hosting our 8th annual Miss NDSU pageant on April 28th, 2008 and would like to request financial support from Student Government. This event is open to the public and has a reduced cost for NDSU students. 100% of the proceeds from the pageant go directly to the Nokomis Child Care Center here in Fargo and with the financial assistance from Student Government we will be able to donate over \$1,000 dollars more to Nokomis but even more than that, we will be able to take the financial burden off of families with children in need of special care. The Miss NDSU pageant has been a huge success and has saved many families from financial stress for the last seven years and with the help of Student Government this year can be even greater and save even more families.

Sincerely,
Shane M. Kunnanz
Alpha Tau Omega: Special Evens Coordinator
