Suggestions to See

Places We Suggest Not Missing out on:

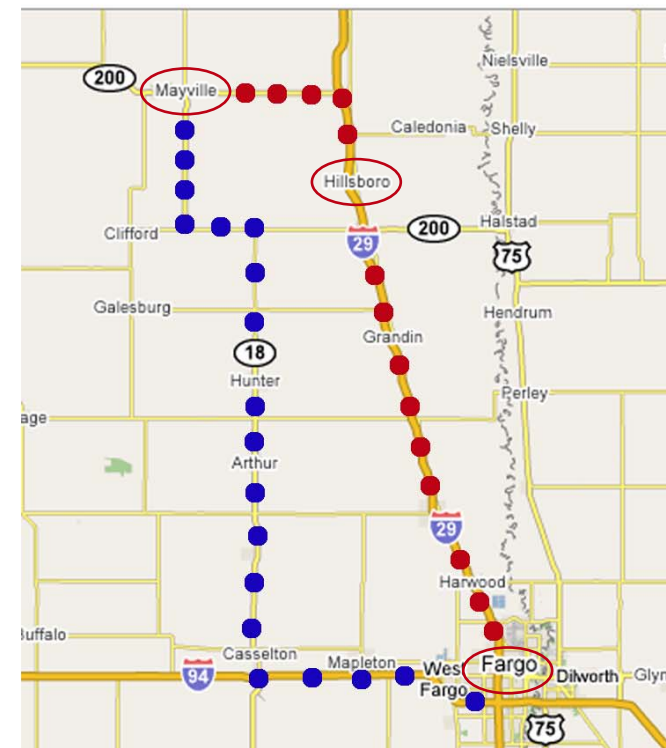

We suggest taking the time to fully tour and walk through the Traill County Museum. The fully restored and furnished 1897 mansion will keep visitors intrigued with the vast amounts of artifacts and historic items that can be viewed. Along with the Museum, visitors have the option to follow a guided map through Hillsboro to look at the other historical homes in town.

While in Hillsboro, we also suggest taking the time to dine at the locally run Country Hearth Restaurant. With breakfast specials and other meals being very reasonable priced, it would be a shame to miss out on this home cooking.

After taking time to dine in Hillsboro, we suggest traveling a block to the south to visit Pioneer Park. This park is home to multiple replicas of historic buildings from the late 1870's including: St. Olaf Chapel, a log home and a school house.

While visiting Mayville we suggest stopping at the Rainbow Garden on the west side of town that is linked up with the Willowwod Campground located along the Goose River. The river and garden provide an excellent site for small gatherings and picnicing.
