HORTICULTURE DISCLOSURE FORM INSTRUCTIONS

In accordance with NDSU Policy 190, this form should be utilized by NDSU personnel to report new horticultural discoveries to the Office of Technology Transfer. Pursuant to NDSU policy, Inventors are required to report discoveries to the Office of Technology Transfer prior to making any “enabling” disclosures. An “enabling” disclosure for Plant Patent purposes would consist of a sale or license or offer for sale or license of a horticultural selection. NOTE that prior to an application for Plant Patent, any transfer or evaluation of a horticultural selection by a third party must be done under the terms of a Material Transfer Agreement with confidentiality provisions.

INVENTORS/BREEDER and CONTRIBUTORS:

- Complete Horticulture Disclosure Form fully and accurately to the best of your knowledge.
- Decide amongst yourselves, the division of Breeder Royalties, if any, received from the commercialization of this variety.
- Sign the Horticulture Disclosure Form.

HEAD, PLANT SCIENCES DEPARTMENT:

- Review and Sign the Horticulture Disclosure Form.

NDAES DIRECTOR:

- Review and Sign the Horticulture Disclosure Form.
