KNOWLEDGE QUIZ & AGREEMENT

- ___#1 It is possible to remain anonymous when using Peer-To-Peer file sharing programs like Limewire.
A > True
B > False
- ___#2 Which of the following is true about downloading music?
A > Downloaded music is not stolen.
B > Downloaded music automatically comes with the copyright.
C > Individuals who share music on P2P networks are all allowed to by Federal Law.
D > Downloaded music that has not been paid for is considered stolen and is also considered an infringement to copyright law.
- ___#3 The First Sale Doctrine states:
A > Persons who legally purchased a CD may burn that CD and give it to a friend.
B > Persons who legally purchased copyrighted material may resell or give that media to somebody else.
C > Persons who legally purchased copyrighted material may upload that media and share it with others via the internet.
D > None of the above are correct.
- ___#4 Copyright Law protects authors or creators of 'original works,' and provides them exclusive rights in regards to distribution of their works.
A > True
B > False
- ___#5 Which of the following is not a legal site from which to download music?
A > I-Tunes
B > Musicmatch
C > BitTorrent
D > Rhapsody
- ___#6 If you get caught with copyright infringed media at NDSU, what can happen?
A > You could be subject to criminal penalties upwards of \$250,000 and five years in prison.
B > You could receive University sanctions including probation, suspension, or even expulsion in addition to various educational projects and limited access to the NDSU network.
C > You could face civil charges and other fines for each piece of copyright infringed media in your possession.
D > All of the above could happen.
- ___#7 The average penalties for NDSU students who settled their copyright infringement cases outside of court were between \$3,000 and \$5,000.
A > True
B > False
- ___#8 During the last academic year, how many NDSU students were delivered lawsuits directly from the RIAA?
A > 0
B > 3
C > 6
D > 14
- ___#9 The RIAA is responsible for:
I monitoring internet usage around the world in search of copyright infringements.
II helping music artists get a recording contract.
III developing or creating laws about copyright.
IV protecting the intellectual property of your favorite artists.
A > I and II
B > I and IV
C > III only
D > IV only
- ___#10 Colleges and universities have been recent targets of the RIAA as they search for copyright infringements because:
A > they have larger, faster and more powerful network services.
B > they have a higher population of students whose generation has been more 'digitally' inclined.
C > they are in the best position to educate young adults about the true value of intellectual property and about their moral and legal responsibilities.
D > All of the above are reasons why the RIAA targets colleges and universities.

BY SIGNING THIS DOCUMENT, YOU UNDERSTAND THAT COPYRIGHT INFRINGEMENT IS A FEDERAL OFFENSE. FURTHER, YOU UNDERSTAND THAT ILLEGALLY DOWNLOADING AND SHARING MUSIC IS CONSIDERED A COPYRIGHT INFRINGEMENT AND WILL BE ADDRESSED ON A UNIVERSITY LEVEL AND IN SOME CASES IN FEDERAL COURT. IN ITS EFFORTS TO REDUCE COPYRIGHT INFRINGEMENT ON CAMPUS, NDSU HAS PROVIDED YOU WITH IMPORTANT INFORMATION ABOUT COPYRIGHT AND THE CONSEQUENCES OF POSSESSING COPYRIGHT INFRINGED MEDIA. YOU HAVE REVIEWED THE INFORMATION AND WILL MAKE APPROPRIATE CHOICES AS SUCH. ANY FURTHER QUESTIONS CAN BE DIRECTED TO A UNIVERSITY OFFICIAL. THANK YOU!
