

POLICY ON EVALUATION OF THE COLLEGE'S DEAN AND CHAIRS/HEADS

Approved by College faculty on March 1, 2005

The College of Science and Mathematics shall follow Section 327 (Evaluation of Academic Deans, Directors, and Department Chairs) of the NDSU Policy Manual in matters related to evaluation of deans, directors, and chairs/heads. Deans, directors, and chairs/heads shall be evaluated formally each year during the first three years of their administrative appointment; beyond the third year, formal evaluation shall occur at least every three years, as per policy. Chairs and Heads shall be evaluated by the Dean in consultation with departmental personnel. Policies and procedures for evaluation of chairs and heads shall be identical.
