[NDSU Club Tennis Team]

The NDSU Club Tennis Team is back for its second year of competitive tennis. The first tournament we will be competing in is the Fall Gopher Invitational Tournament at the Baseline Tennis Center on the University of Minnesota's campus in Minneapolis on September 20th and 21st. We are excited to continue our successful run from last season. It would mean everything to our club if the Student Government could help us with much of the trip's expenses. Thanks for any help you are willing to provide us with.

Sincerely,
Jeremy Koeplin

NDSU Club Tennis Team Treasurer
