

About the Pest Management School

Hosted by North Dakota State University Extension, the school helps prepare individuals to be successful field scouts and will update agricultural professionals on research and crop production recommendations for major and minor crops grown in North Dakota.

For further information about the content of this program, contact Darla Bakko, 701-231-8866, Darla.Bakko@ndsu.edu, or TJ Prochaska, 701-857-7682, travis.prochaska@ndsu.edu.
