

# **North Dakota Junior Master Gardener Program**

## **Reimbursement Guidelines**

### **for Non-NDSU Personnel**

The North Dakota State University Extension is committed to helping you move forward with your project. We will offer reimbursement of costs in the award amount as determined by the award committee.

#### **REIMBURSABLE EXPENSES**

- Examples include items such as gardening supplies (hand tools, topsoil, compost, transplants, seeds, trees, pots, etc.), rental of tillers or other gardening equipment, gardening books, craft supplies and other educational supplies.
- Any equipment that is purchased for the Junior Master Gardener Program is for program activities only. Any private use is forbidden.

#### **PROHIBITED EXPENSES**

- Funds cannot be used for food, transportation, gas or labor/hourly pay for workers.
- No individual item may exceed \$100 with the exception of soil or soil amendments. Please contact Tom Kalb if you have any questions.

#### **ACCEPTABLE RECEIPTS**

- We need **actual** receipts, not photocopies.
- Every receipt must note the:
  - ✓ Store name
  - ✓ Date of purchase
  - ✓ Specific items being purchased. General terms on receipts such as “Supplies,” “Electrical” or “Grocery” are **not acceptable**. List the actual gardening items, for example, annual flowers, gloves, hoes or shrubs.
  - ✓ Specific cost of each item
  - ✓ Handwritten receipts from a store may be acceptable, but they require the signature of a store employee and a phone number.
  - ✓ Purchases cannot be made with rebate cards.
  - ✓ Receipts should include items only used for the JMG project and not include non-project personal items.

Any expenses you are considering that might fall outside these guidelines will require prior approval; please consult Tom Kalb regarding these expenses.
