

# Crop Management Field School

Thursday, June 29, 2023

NDSU Carrington  
Research Extension Center

663 Highway 281 NE  
(3.5 miles north of Carrington, N.D.)

## Audience and Objectives

The target audience is crop advisers, but farmers are welcome to attend.

The school's objective is to provide updates, using field demonstrations and research trials, on crop pest and soil management recommendations.

## Preregistration

**Preregistration and \$100 fee are required.**

Enroll online by June 26 at [www.tinyurl.com/payCREC](http://www.tinyurl.com/payCREC) or <https://agext-northdakotastate-ndus.nbstore.net/carrington-research-extension-center>. The fee is \$150 if preregistering after June 26 (if space is available). Preregistration may also be completed by mailing a registration form and check to the Carrington REC.

**Participation is limited to 50 people.**

Registrations will be accepted on a first-come, first-served basis. Participants will receive reference materials, one meal and refreshments.

**Four continuing education unit credits** will be available for certified crop advisers (CCAs).

The information presented at the Crop Management Field School is for educational purposes.

References to commercial products or trade names are made with the understanding that no discrimination is intended and no endorsement by NDSU Extension is implied.

A handwritten signature in black ink that reads "Greg Endres".

Greg Endres  
Cropping Systems Specialist, NDSU Extension
