Dear Non-resident Pesticide Applicator/Dealer,

One of the requirements for obtaining certification as a pesticide applicator or dealer is that the applicant must file a written power of attorney with the North Dakota State University Extension Pesticide Program or a duly appointed resident agent for service of process.

According to Chapter 4.1-33-09 of the North Dakota Century Code, any nonresident applicant for a pesticide applicator or dealer's certification must file a power of attorney making such an agent designation before it can operate in the state of North Dakota. Once filed, the NDSU Extension Pesticide Program or the resident agent becomes the agent for the nonresident applicant in the event any lawsuit is filed against the applicant. The power of attorney must be prepared in such a form as to render effective the jurisdiction of North Dakota state courts over the nonresident applicant.

If you wish to designate the NDSU Extension Pesticide Program as the agent for service of process, complete the form on the reverse side of this page. Please note the the form must be signed before a notary public.

Send the form, along with a \$25 filing fee, to the NDSU Extension Pesticide Program. If you have any questions regarding the appointment of agent, please contact the NDSU Extension Pesticide Program at 701-231-7180 or 701-231-6388.

Sincerely,

NDCC 4.1-33-10 requires an applicant for a **commercial applicator certificate**, in the State of North Dakota, to provide proof of financial responsibility.
