FARGO, ND – August 6, 2012 – JLG Architects has been named to *The Zweig Letter's* 14th annual Hot Firm List, recognizing the top 100 fast-growing architecture, engineering and environmental consulting firms in North America. In an industry comprised of over 100,000 firms, the Hot Firm list measures their increase in revenue over the past three years in terms of both dollar and percentage change. JLG was ranked 22nd on the total list and 2nd amongst architecture firms.

This is not JLG's first time being recognized by ZweigWhite, the organization behind *The Zweig Letter*. JLG was ranked 89th on the Hot Firm list in 2010 and, in 2006, was named one of the country's Top 20 Firms To Work For.

JLG was also named #14 of the Top 25 Architecture Firms by volume of work in Minnesota last month by the *Minneapolis-St. Paul Business Journal*.
