LAAB Public Information

Landscape Architectural Accreditation Board (LAAB) Public Information Policy

LAAB accredited programs are required to provide reliable information to the public on their performance, including student achievement as determined by the institution or Program. This information is intended to help potential students make informed application decisions.

Accreditation

The five-year Bachelors of Landscape Architecture (BLA) is accredited by the Landscape Architectural Accreditation Board. The BLA Program was last accredited in 2014 and is scheduled for re-accreditation in 2019.
