GENERAL COLLEGE POLICIES

1. The College of Business may consider granting transfer credit for upper level business courses from colleges that are accredited by AACSB International. Business courses from programs that do not hold AACSB International accreditation cannot be used for a major or a minor in the College of Business; such courses may be eligible for use as a free elective. The College of Business accepts a maximum of nine credits of non-NDSU 300 and 400-level business courses from AACSB International programs with the approval of the department.

2. Pre-approval from the department head or chair is required to enroll in 300 and 400-level business courses at another university or Tri-College University. Transfer courses with grades of D are not accepted for Acct 200, Acct 201, and 300 and 400-level major requirements.

3. Only juniors or seniors meeting the grade point requirement (i.e., 2.50) will be allowed to enroll in 300-400 level courses in the College of Business.

4. Students are required to earn a minimum grade of ‘B’ in ACCT 200 and 201, or the equivalent transfer courses to enroll in 300 and 400-level accounting courses.

5. College of Business courses completed in previous semester are considered valid for degree requirements if taken within the previous five years. College of Business coursework taken before the five-year limit may be reviewed by the College of Business Student Progress Committee to determine its appropriateness to the major requirements.

6. Students majoring in the College of Business cannot minor in business administration.

GENERAL DEGREE REQUIREMENTS

1. Admission to the major program requires the successful completion of the pre-major and college courses with a grade of ‘C’ or higher, a 2.50 institutional grade point average, and a minimum of 60 credits.

2. Students must be accepted into the major prior to the completion of the last 30 credits in required 300-400 level College of Business courses.

3. Students must earn a grade of ‘C’ or higher in all courses included in the professional program, a 2.50 cumulative grade point average, and the minimum number of credits for the major.

Students in the College of Business are responsible for reviewing the requirements of their chosen major, and for monitoring their individual progress toward degree completion.

CODE OF ACADEMIC RESPONSIBILITY AND CONDUCT

The College of Business emphasizes the importance of adhering to ethical business practices. We expect our students to abide by the principles of honesty and integrity in fulfilling the requirements of their degree. Students who violate these principles by cheating or plagiarizing another person’s work will be subject to disciplinary action up to and including expulsion from the University.
