Barry Schuchard, PE  
Chief Production Officer  

Barry Schuchard, chief production officer (CPO) of Kadrmas, Lee & Jackson, Inc. (KL&J), a regional engineering, surveying and planning firm has more than 28 years leadership experience. Schuchard earned a bachelor’s degree in civil engineering from North Dakota State University. He is a registered professional engineer in North Dakota, Florida, Minnesota, Montana, South Dakota and Wyoming.

In 1983, Schuchard joined KL&J. He was promoted to office manager in Valley City, ND in 1994. He became director of transportation services in 2000. Schuchard was appointed to his current position in 2008. As CPO, he oversees all areas of production.

As a leader in his profession and the community, Schuchard is actively involved in the communities, counties and states KL&J serves. He has been a member of the American Council of Engineering Companies for 21 years, North Dakota Association of County Engineers for 25 years, North Dakota State University Civil Engineering Advisory Board for 12 years and a member of the American Association of Highway Engineers (AAHE) for six years. He served as chair for the ACEC/ND Transportation Committee from 2004-2010 and currently serves as executive secretary.
