NDSU Invites You

Any student who is considering graduate school in the areas of Chemistry and Biochemistry is invited to visit NDSU to learn about our graduate programs. No need to apply first. Come and check us out with no strings attached. You will learn about our graduate program, find out what research is going on in the Department and tour state of the art NDSU Research Facilities.

North Dakota State University does not discriminate on the basis of age, color, disability, gender identity, marital status, national origin, public assistance status, race, religion, sex, sexual orientation, or status as a U.S. veteran. Direct inquiries to the Vice President for Equity, Diversity, and Global Outreach, 205 Old Main, (701) 231-7708.
