Meeting, 8:30-9:30, Tuesday, September 16, 2014, Arikara

Tentative Agenda:

1. Approve the minutes from 05/06/14

2. Review the status of ENGL 110 in current model (attached) and implications of dropping it.
   - From our May 6, 2014 meeting minutes:
     - Cole said he looked through policies, state publications, GERTA, everything related to transfer and GE and couldn’t find anything stating that we had to have ENGL 110 as part of our GE program. He contacted Lisa Johnson our State Director of Articulation and Transfer to see if she could advise him on this. She confirmed with Cole that there is nothing stating that we have to include this course.
     - Lisa suggested discussing NDSU’s possibility of taking ENGL 110 out of the GE program at the State Academic Affairs Council phone conference taking place today (May 6, at 2:45 pm). Cole said this will be presented as a possible revision for feedback. Cole and Larry will be calling in to the meeting and Amy will join when she is done with class.
