A Senate Resolution in support of the new NDSU QUEST General Education model

Whereas, the Core Undergraduate Learning Experience committee has been working on a proposal to enhance the undergraduate curriculum for the last 5 years, and

Whereas, they have met with almost 500 NDSU students, faculty, and staff, and surveyed almost 1,400 students, alumni, employers, faculty, and staff, and taken data from sources such as the National Survey of Student Engagement, the Collegiate Learning Assessment, and the Office of Institutional Research, and

Whereas, NDSU QUEST focuses on the learning outcomes and results of what students learn in their general education coursework, and

Whereas, NDSU QUEST emphasizes general education being integrated throughout the collegiate experience, and

Whereas, NDSU QUEST allows for possible opportunities such as theme based minors, and

Whereas, NDSU QUEST puts an emphasis on critical thinking, as well as written and oral communication, along with five other key outcomes areas, let it be

Resolved, NDSU Student Government supports the implementation of NDSU QUEST as the new general education model.
