North Dakota 4-H Camp

Radio PSA

Fun, excitement and, yes, even learning are all part of what the Western 4-H camp is all about.

Hi, my name is (insert name) from (insert town) and I’ve been to the Western 4-H camp near Washburn. At the camp, I met new friends and developed new skills. There are 13 different camps, so you can go to one or all of them!

To learn more, go to www.ndsu.edu/4h or call your county Extension office. By the way, you don’t have to be a 4-H member to go. See you there!
