

**Dining Hall and Kitchen**

The dining hall is ideal for meals and can also be used for conference, retreat, meeting and special event purposes. It can serve about 100 guests using dining tables and chairs. A full kitchen, if requested, is also available to assist you with food preparation and storage for your event. It has heat, air-conditioning and a ventilation system for comfort.

The North Dakota 4-H Camp is on 80 acres of wooded riverfront property 1.5 miles west of Washburn, ND, and has provided overnight camping to youth for over 40 years.

The camp is strategically located between the Lewis and Clark Interpretive Center and historic Fort Mandan along the Missouri River.
