North Dakota State 4-H Hippology Contest
Rules and Guidelines - 2017
North Dakota State University Equine Center – Fargo

Hippology is an activity to test participant’s knowledge and understanding of horse science in a friendly but competitive setting. The event generally has four phases: 1. Written test, 2. Stations identification, 3. Team problem, 4. Horse judging.

**Pre-registration required:** Please send a pre-registration form or email message to: dean.aakre@ndsu.edu by the Monday before the contest. Include county, team with expected participants in each, division. Changes and substitutions may be made at registration on the day of the contest.

**4-H Participants** - Youth may enter as individuals or as a member of a team. Participants must be enrolled in the county they represent. All participants are eligible for individual awards. 4-H division teams will consist of three or four participants from the same county. Two counties may join to make a 4-H team of 3 or 4 provided that none of those counties have more than two participants on the team. A team of three may not pick up a fourth member from another county.

**Contest Divisions**
Each age division is considered a separate contest and youth may enter one of the following divisions.

**Senior 4-H division:** Youth age 14 to 18 on December 31, 2016. In order to insure the team placing first in the contest is eligible for the Western Roundup National 4-H contest in Denver, senior division team members must have turned 14 in 2016 or earlier.

**Junior 4-H division:** Youth age 8 before September 1, 2016 to age 13 on December 31, 2016 enrolled in North Dakota 4-H. The juniors will work together in all phases of this contest.

**Eligibility:** 4-H members are not eligible for this contest if:
  a) He/she has participated in a previous National 4-H Hippology contest.
  b) He/she has participated in official post-secondary (university, college, junior college or technical school) competitive events of a similar nature in the same subject matter area. Neither can he/she be a member of a post-secondary team undergoing training in preparation of an event.

**Dress Code**
North Dakota 4-H divisions will follow the 4-H Dress Code in order to provide a positive image of the program. The North Dakota 4-H Dress Code for state competitive events is: 4-H members must be dressed neatly and wear a solid white, yellow, gray, or green shirt with 4-H emblem on front. Coats are permitted if facility is cold.

**Contest Guidelines**
1. Senior Division contestants will work independently except for the team problem. While the contest is in progress, there shall be no conferring between the contestants or between contestants and anyone else except as directed by the Contest Superintendents or their representative. Ten points will be deducted from the total score for each talking infraction reported.

2. The contest will be designed as follows:
   a) The test will have 50 questions and a value of 100 points.
   b) The stations have a value of 100 points. The number of stations may vary between five and ten.
   c) Two horse judging classes will be a part of the contest for a total of 100 points. Oral reasons will not be a part of the hippology contest. Classes will consist of four horses for halter classes or four horse/rider combinations for performance classes. If there is a performance class, it will be one of the following: Western Horsemanship, Western Pleasure, Western Riding, Reining, or Hunt Seat Equitation.
   d) Team problem will be worth 100 points. Teams will have ten minutes to prepare and five minutes to present.
3. Schedule for rotation and exact time will be determined by management, based on number of registrations. Each section of the contest will be provided at least 20 minutes for completion.

4. Awards will be presented to the top three teams in each division and at least the top ten individuals in the senior and open divisions.

5. Ties for individual awards will be broken with 1) test score, 2) total station score, 3) station scores starting with station 1. Ties for team scores will be broken with 1) team problem, 2) total test scores from top three on the team, 3) total station scores from top three on the team.
