

State 4-H Range Judging Contest
Registration Form

County(s)*: _____

Senior Division

A county may enter any number of participants. Counties with more than 5 participants may choose to divide the participants into more than one team. Three participants are required to make a team. Participants age 14 to 18 years before September 1. To be eligible for the national range judging contest, participants must be at least 14 years old on the date of the national contest and must not have graduated from high school. The national contest is held at the beginning of May. (13 year old participants who will be 14 before the national contest – May 1 are eligible for the national contest and may judge in the senior division.)
