State Fair Rules Regarding Dogs on the Fairgrounds

Only livestock or horse exhibitors will be allowed to have dogs on the fairgrounds in camping areas as well as in the livestock or horse barns, but under no circumstances will dogs be allowed south of the barns.

4-H Division

4-H static exhibits will be grouped for display by county in the Magic Place of the North Dakota State Fair Center. Counties may decorate their display area and should contact the superintendent if planning to do so.

4-H Offices – North Dakota State Fair Center

The mission of 4-H youth development is to help youth acquire knowledge, develop life skills and form attitudes that will enable them to become self-directing, productive and contributing members of society. 4-H programs are organized and conducted in communities by adult volunteers and supported by cooperating counties, North Dakota State University, the U.S. Department of Agriculture and private sources. 4-H programs are offered to all people without regard to race, creed, color, handicap, sex or national origin.

Phone numbers available during days of the fair only

4-H office 701-838-3776

Youth Exhibitor Picnic

The youth exhibitor picnic is open to all State Fair 4-H exhibitors, 4-H volunteer leaders and county Extension staff. Participants will be requested to sign their name and address on the back of their ticket for development of a mailing list for the State Fair.

General Rules and Guidelines for All 4-H Exhibitors

Rules in this 4-H exhibit list apply to the 4-H events at the North Dakota State Fair. These rules supersede other rules printed in project manuals or are otherwise assumed. Show management has the right to make decisions regarding the operation of a show as needed.

1. 4-H activities will comply with rules of the State Fair.
2. 4-H classes are open to youth enrolled in 4-H programs in North Dakota in the 4hOnline system. Eligible youth must have completed the third grade at the time of the State Fair or were age 8 to 18 before Sept. 1, 2018. **Cloverbud participants are not eligible for State Fair 4-H entries.**
3. Exhibits must be the work of the 4-H member in the project during the current 4-H club year unless local achievement days are after the State Fair.
4. Static exhibits qualify to be entered at the State Fair by placing in the blue ribbon or other comparable group conducted under the supervision of NDSU Extension. All exhibits must be entered with the approval of your county office of NDSU Extension.
5. 4-H members who qualify to exhibit may substitute a similar exhibit within the same lot. (Example: perishable items)

6. Exhibits may be entered only once in a youth division.
7. Static exhibits must have a properly completed North Dakota State Fair 4-H exhibit label.
8. 4-H exhibits will be accepted according to the times listed in the 4-H schedule. Mailed/shipped exhibits should be sent early so they arrive at the State Fair by the entry times for the exhibits. Mailed exhibits must have carrying charges prepaid. Address all exhibits to the 4-H Department, North Dakota State Fair, 2005 Burdick Expressway E., Minot, ND 58701.
Counties must designate, in writing, instructions for return shipping for all mailed exhibits. Please designate the carrier and include a check for the costs of return shipping equal to the cost of sending the exhibit to the fair. If these procedures are not followed, return shipping may be delayed and may cost more. If county achievement days closely follow the State Fair, please indicate the date needed for return.
9. Static exhibits will be released after 6 p.m. of the last Saturday of the fair. However, exhibitors are encouraged to wait until after the fair is over. The fair charges admission fees to everyone and allows only vehicles with credentials to have access to the grounds through the last Saturday of the fair. Free fair admission is not provided to those picking up exhibits, and their vehicles must have proper credentials to enter the grounds. Exhibits may be picked up during the following times:
Saturday, July 27, 6 to 9 p.m. (admission is charged)
Sunday, July 28, 10 a.m. to 2 p.m.
Monday, July 29, 9 a.m. to noon
10. The State Fair is not responsible for exhibits for which return mailing hasn't been requested or are unclaimed, stolen or lost.
11. Location for exhibits:
Beef, sheep, swine – Livestock Expo Barn
Dairy – Dairy Barn
Goats – Goat Barn
Horses – Horse Barns
Poultry – Poultry Barn
Rabbits – Rabbit Barn
Project Expo, Clothing Revue – State Fair Center
Static exhibits – State Fair Center, Magic Place
12. Exhibits in most classes will be evaluated and placed into blue, red or white ribbon groups. Champion/reserve champions may be named from the blue ribbon groups.
13. Parents are responsible for chaperoning or obtaining chaperons for 4-H members who participate and attend the State Fair.
14. Dress code: "All members participating in North Dakota State 4-H competitive events (except Clothing Revue) will be neatly dressed and must wear a solid-colored white, yellow, gray or green shirt/blouse with the 4-H emblem prominently displayed and securely fastened on the front."
We recommend that participants/exhibitors wear dark jeans/slacks/skirts. Boots/protective shoes also are recommended for safety. No tennis shoes are allowed in the show ring.

Participants in the 4-H horse show have some additional dress code requirements; please see the horse show rules. Exhibitors not following the dress code shall receive reduced premiums equivalent to one ribbon placing.

15. Open-class shows: 4-H members are encouraged to compete in the State Fair's open-class competitions.
Livestock projects may be shown in open and 4-H shows. Static exhibits must have separate items displayed in each division. 4-H members who plan to exhibit in the open-class shows at the North Dakota State Fair must make entry on the official entry blanks and pay entry fees.
16. All exhibitors and a parent/guardian are expected to read the following code of ethics and sign a statement on the entry forms indicating consent to the statements in the code.

International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open-class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock show. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer

and/or absolutely responsible person for the show management to obtain any specimens of urine, saliva, blood or other substance from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animals' performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood or other substance tested by the laboratory to which it was sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer or absolutely responsible person to prove. At any time after an animal arrives on the fair or livestock premises, all treatments involving the use of drugs and/or medication shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, confirmation or appearance, except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices, such as striking animals to cause swelling, and using electrical contrivance or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representative or show officials before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer or participant whether or not he or she was

actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have any disciplinary action taken by the fair or livestock show published in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Additional Rules and Guidelines for Livestock Exhibitors

All 4-H livestock exhibitors at the North Dakota State Fair must have Youth for the Quality Care of Animals (YQCA) certification or LQA certification for 2019.

1. No fans or fan stands of any type are allowed in the barn aisles.
2. Read all general rules and guidelines for 4-H exhibitors and the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics. Your entry certifies you and your parent or guardian have read, understand and agree to the IAFE National Code of Show Ring Ethics.
3. All animal owners are responsible for the welfare of their animals. Exhibitors are expected to provide adequate feed, water, bedding and housing for the comfort of their animals. Exhibitors are responsible for making arrangements for appropriate care if they are unable to be present. The humane treatment of animals is expected and abuse will not be tolerated. The comfort and safety of the animal must be addressed throughout the fair. Nonstressed animals will perform better for the handler. Exhibitors are expected to handle their animals in a gentle and calm manner and not create undue excitement in the vicinity of other livestock or people.
4. 4-H large livestock (beef, dairy, goats, sheep, swine) must enter online or on the State Fair entry forms (open class, 4-H, FFA all on one form) by Friday, July 5. This is extremely important so that stalls and pens are available. Late entries are not guaranteed stalls or pens. Substitutions and changes may be made at check-in at the State Fair.
5. Use the 4-H entry form for rabbits and poultry, but mail the form to the North Dakota State Fair by Friday, July 5, to reserve cages for your animals.
6. Bring birth dates of livestock exhibits and health certificates (if required) for all animals. Exhibitors of leased animals should have a copy of the lease on file in their NDSU Extension county office. Bring papers for registered animals. Registered animals without papers will be shown as commercial animals.
7. Livestock exhibited in the 4-H division must be housed in the facilities provided for 4-H livestock exhibits unless permission is granted by the division superintendent prior to entering. Upon arrival at the fair, check in at the Livestock Expo office, rabbit barn office or poultry barn superintendent table to get stall or pen assignments. Official entry of your animals will take place according to the 4-H schedule of events. Plan to attend the informational session for 4-H and FFA livestock shows.
8. Be ready to weigh in market beef, sheep or goats at the time designated. Swine may be weighed from noon to 4:30 p.m. and the weight declared by 4:30 p.m. on Tuesday.
9. Show order will be scheduled by the show superintendent. Animals must be shown by the exhibitor unless permission is granted by the division superintendent prior to the show. Substitute show people must follow dress code.
10. Registered animals must be registered in the exhibitor or family's name or have a lease on file in the Extension's county office.
11. Animals must be owned or leased and managed by the 4-H member who enters the animal. Animals exhibited must meet rules regarding the length of management.
 - a. Market beef animals must be owned or leased, with daily management by the exhibitor, by March 1 of the current year.
 - b. Beef breeding animals, dairy, swine, sheep and goat exhibits must be owned or leased, with daily management, by May 1 of the current year. Any animal born after May 1 must be a progeny animal owned from date of its birth by the exhibitor.
 - c. An ownership date is not established for poultry and rabbits; however, exhibitors must have the animals in their possession a minimum of 30 days before their county show or the State Fair show, whichever is held first. A May 1 guideline is suggested for all rabbits and poultry, except for those that would not be of appropriate age at that time.
12. The same animal of any livestock species may be exhibited in one 4-H or FFA show only, regardless of joint ownership by 4-H and FFA members.
13. Health requirements for livestock: **North Dakota Livestock** – Animals inspected by the State Fair's veterinarian prior to unloading. Animals showing evidence of infectious skin/eye/foot lesions will be dismissed from the fair immediately. **Decisions made by the fair veterinarian are final.** Certificates are not required for North Dakota livestock; however, sheep and goats are required to have the scrapie identification tag. Poultry must be from an NPIP (National Poultry Improvement Plan) flock, tested or purchased from an NPIP source (see poultry class for more information). Please note health statements under each specific class. (For complete health requirements and special health requirements for out-of-state livestock, see the open class guidelines.)

14. **The drug screen policy may be enforced at the 2019 State Fair.**

Grand and reserve champion market beef, swine, lamb and goats will be subjected to a drug screen immediately following completion of judging. This drug screen may include tests for detection of the following: (1) steroids, (2) tranquilizers, (3) antibiotics, (4) diuretics, (5) sulfas and (6) nonsteroidal anti-inflammatory drugs (NSAIDs). Penalties if the test comes back positive:

1. Disqualification of animal
2. Forfeit of premiums
3. Exhibitor banned from exhibiting any species the following year

If for some reason an exhibitor has an animal that has been administered antibiotics within 45 days of the show, the exhibitor must present a veterinarian's signed statement to the show superintendent prior to judging of the class. This statement must include: (1) reason for treatment, (2) antibiotics used, plus dosage and frequency, and (3) date of last treatment.

15. Exhibitors furnish all feed and bedding. Hay and straw may be purchased on the grounds. Beef exhibitors must use sand bedding. No straw will be permitted in beef areas.

16. Round Robin Showmanship contest:

- a. Showmanship competition will be part of the shows.
- b. All exhibitors may enter showmanship competition. Exhibitors must show their own animals in showmanship lots and the animal also must be shown in another lot in the class.
- c. Showmanship contestants will be divided into lots by age as senior, intermediate and junior.
- d. A round-robin showmanship contest will be held for each age division as noted in the schedule. Two participants will be selected for the round-robin contest from each of these shows: beef, dairy, goat, sheep and swine.
- e. An exhibitor qualifying in more than one species must declare which will be used for the round-robin.
- f. Champion and reserve champion show participants in the round robin livestock showmanship contest will receive plaques sponsored by the North Dakota Veterinary Medical Association.

17. Release of livestock is based on the distance the exhibitor lives from Minot.

Open-class sheep and beef entered on Friday and not showing in 4-H or FFA – release time 6 p.m. Monday.

Open class sheep and beef showing in 4-H or FFA – release time 6 p.m. the day of their last show.

Open class swine, dairy goat and dairy cattle showing in 4-H or FFA – release time Saturday on the following schedule:

- Those living within 50 miles of Minot – 6 p.m.
- Those living 51 to 100 miles of Minot – 5 p.m.
- Those living 101 to 150 miles of Minot – 4 p.m.
- Those living more than 150 miles from Minot – 3 p.m.

Premiums

Premiums are paid on all classes in the exhibit list on the basis of points awarded for each entry as outlined below. Premiums will be paid at 10.5 cents per point for most exhibits or 15.5 cents per point for large livestock (beef, dairy, goats, sheep, swine) and will be mailed in September 2019. Adjustment to points/premium will be made when necessary as determined by 4-H and State Fair management. Premiums are based on the funds appropriated by the North Dakota Legislature. The state provides only the prizes at the State Fair; all other operational funds are derived from the fair's income.

Special Premiums and/or Awards

The National Swine Registry, 2639 Yeager Road, West Lafayette, Ind. 47906, is a consolidation of the American Yorkshire Club, Hampshire Swine Registry and United Duroc Swine Registry. The National Swine Registry offers \$100 to the owner of the grand champion barrow overall breeds in the on-foot show, provided the barrow is a registered Duroc, Hampshire, Landrace or Yorkshire and is from a recorded litter. The owner must provide proof of registration and a picture to receive the award. All award winners must submit proof of registry and supply an appropriate picture to the National Swine Registry within 60 days of the show to receive their award.

The Poland China Record Association, Box 9758, Peoria, Ill. 61612, phone 309-691-0151, offers \$50 to the exhibitor of the grand champion barrow over all breeds if it is from a recorded Poland China litter and a picture of the winning entry is provided.

The North Dakota Veterinary Medical Association will award a plaque and cash award to the champion round-robin showman in each of the 4-H divisions and a plaque for the reserve champion showman in each division.

The North Dakota Stockmen’s Association offers the Champion 4-H Beef Showmanship Plaque.

The North Dakota Wheat Commission, on behalf of North Dakota wheat producers, offers additional three place premiums for samples of winter wheat, hard red spring wheat and durum:

first – \$40; second – \$30; third – \$25 and

additional three place premiums for wheat sheaves:
first – \$40; second – \$30; third – \$25

The North Dakota Crop Improvement and Seed Association will provide recognition and a premium to the top 4-H crop exhibitor.

Protests

1. All protests must be made in writing to the show management within five hours after the conclusion of the show. Protests made before the show takes place must be brought to the superintendent of the show at least two hours before the show to provide the superintendent time to address the concern.
2. All protests must be accompanied by a deposit of \$25 in the livestock department and \$10 in all other departments, which shall be returned to the complainant if sustained, and if the protest is not sustained, then said sum shall be forfeited.
3. No protest or appeal based upon the statement that the judge or judges are incompetent or have overlooked an animal or article will be considered by the show management.
4. Protest must state plainly the cause of complaint or appeal, with specific charges and recital of facts relied upon or the rule violated, naming witnesses by whom proof is to be made and their addresses.
5. All questions in dispute or differences not covered by these rules shall be referred to the officials of the 4-H division, whose decisions shall be final.
6. Specific reports of areas of concern should be brought to the attention of the State Fair manager.

■ Animal Exhibits

4-H Beef Cattle

1. All livestock must be identified with a clearly visible ear tag or tattoo. Tattoos will be accepted only for registered livestock and must be accompanied by breed registration papers.
2. 4-H entries will be made online or with the form used for open class and FFA livestock entries. Entries must be in the State Fair office by Friday, July 5. Enter the open class online at www.ndstatefair.com.
3. Entry constitutes agreement with all general rules, livestock exhibitor guidelines and the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics as printed in this exhibit list.
4. Animals must be owned or leased and managed by the 4-H member who enters the animal. Market beef animals must be owned, with daily management by the exhibitor, by March 1, and beef breeding animals must be owned, with daily management, by May 1. Leases must be on file in the exhibitor's county office of NDSU Extension.
5. Any animal born after May 1 must be a progeny animal owned from the date of its birth by the exhibitor.
6. Entries are limited to two per lot per breed and a total of six entries per exhibitor.
7. All cattle will be checked by a veterinarian as they enter the barn. No early releases. No certificate required. A change in cattle identification requirements due to the animal disease traceability rule (9CFR Part 86) went into effect March 11, 2013. All cattle used for exhibition or moved across state lines, regardless of age or sexual status, must be identified individually. All animals moved across state lines not going to an approved market or to slaughter need a certificate of veterinary inspection as well. For complete health requirements, see the open class exhibit list.
8. Beef breeding classes for registered animals with papers will be subdivided by breed. Show papers at check-in. Breeds with fewer than three entries will be shown in an All Other Breeds (AOB) group.
9. Breeding classes may be split by age (if entries merit) or combined (if fewer than three entries) upon show manager discretion.
10. Crossbreds, grade females of all breeds and registered animals without papers will be shown as commercial heifers.
11. Calves from class 1131 also may be shown in class 1111, 1120 or 1121 but will be considered one of six entries for the exhibitor.
12. Market heifers cannot be shown in beef breeding classes.
13. A champion and reserve champion heifer may be selected for each breed. A supreme overall heifer and supreme overall cow/calf pair may be selected.
14. Market steers/heifers will be shown as finished.
15. Show management will determine groupings in market lots based on weight. Following weigh-in, management will determine the lot groups according to weight distribution and number of animals, with no more than 10 in a group. Group divisions will be posted the evening prior to the show. Check the schedule for weigh-in times.
16. Champion and reserve champion 4-H market beef animals will be selected from those standing first or second in their weight groups.

Class

All exhibitors may enter the showmanship competition. Exhibitors must show their own animals in showmanship lots, and the animal also must be shown in another class. Two participants will be selected from each age division for the round-robin contest.

2. 4-H entries will be made online or with the form used for open class and FFA livestock entries. Entries must be in the State Fair office by Friday, July 5. Enter the open class online at www.ndstatefair.com.
3. Entry constitutes agreement with all general rules, livestock exhibitor guidelines and the IAFE National Code of Show Ring Ethics as printed in this exhibit list.
4. Animals must be owned or leased, with daily management by the 4-H member who enters the animal, by May 1. Any animal born after May 1 must be a progeny animal owned from the date of its birth by the exhibitor. Leases must be on file in the exhibitor's county office of NDSU Extension.
5. All goats will be checked by a veterinarian as they enter the barn. No early releases. No certificate required, but all goats (with the exception of market wether goats) must have a scrapie identification tag. For complete health requirements, see the open class exhibit list.
6. Breeding goats will be divided into two shows: 1) meat, fiber, pygmy; 2) dairy.
7. Goat classes for registered animals with papers will be subdivided by breed. Papers are to be shown at check-in. Breeds with fewer than three entries will be combined in an All Other Breeds (AOB) group.
8. Grade animals and registered animals without papers will be shown as commercial.
9. Entries are limited to two per lot per breed and a total of six animals per exhibitor for the dairy goat show and six animals for the meat/fiber goat show.
10. Breeding classes may be split by age (if entries merit) or combined (if fewer than three entries) upon show manager discretion.
11. A champion male and female per breed may be selected, and a junior female champion in the dairy goat division may be selected if five or more animals are entered from lots 1331 through 1334.
12. Horns are not allowed on dairy goats.
13. Lots 1331 through 1334 consist of does less than 24 months of age that are not in milk and never have freshened. Lots 1335 through 1338 consist of any doe that is in milk.
14. Goats of other types (fiber, pygmy, etc.) will be shown with meat goats for showmanship in the exhibitor age divisions.

The top two dairy goat exhibitors in showmanship and the top two meat goat exhibitors in showmanship will advance to the round-robin livestock showmanship contest.

Meat Goat Breed Show (includes fiber, pygmy and other goat types)

The Boer breed will be divided into registered fullblood/purebred (83.75 percent for does and 96.87 percent for bucks) and registered percentage (does 50 percent and higher).

Market Goat Show

Market wether and market doe classes will be shown on the basis of weight. Following weigh-in, show management will determine the weight groups according to distribution and number of animals, with no more than 10 in each group. Class weight groups will be posted. Goats standing first and second in each weight group will be considered for champion and reserve champion 4-H market goat.

Class (Market Goats, all breeds and types)

- 1350 Market doe, any breed or crossbred born on or after Dec. 1, 2018
- 1351 Market wether, any breed or crossbred born on or after Dec. 1, 2018

4-H Horse Show

These rules apply to the 4-H horse show at the North Dakota State Fair and are in addition to the general rules for 4-H exhibitors and the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics. Rules in this exhibit list supersede other rules that may be printed in project manuals or are otherwise assumed.

1. Preregister/enter by Friday, July 5, in the State Fair office. This is consistent with the entry deadline for open and breed horse shows. Enter the open and breed shows with the entry form included in the horse show exhibit list. Entry by this date allows the open horse show superintendent to plan for stalling your horses. Late entries have no guarantee of stalls.
2. Because several 4-H horse shows are held after the entry date, enter those events in which you anticipate qualifying and participating. You may bring an updated copy of the entry form with you to registration/check-in at the North Dakota State Fair. Your Extension agent or the horse show superintendent must sign the updated form.
3. A 4-H member enrolled in the 4-H Horsemanship project must have managing control of the horse by **May 1**. The horse may be owned, rented, leased or borrowed for use as a 4-H project. If the horse is not owned, the legal owner must provide a written statement guaranteeing that the 4-H member has managing control of the animal by **May 1**. This statement needs to be submitted to the Extension office by **May 1** and is kept on file in the Extension office in the county of enrollment. A copy of this lease will be required upon check-in at the North Dakota State Fair.
4. Stalls and exhibit areas must be kept neat and clean at all times. Exhibitors are expected to clean their own stalls and area prior to leaving the grounds. A 4-H member is limited to three animals (horses, draft horses or mules) for the state 4-H horse show. Exhibitors are encouraged to decorate their stalls. These criteria are judged for the individual and county herdsman award.
5. Exhibitors must enter lots based on age before Sept. 1, 2018. Entry forms are available on the Center for 4-H Youth Development website: www.ndsu.edu/4h/.
6. Exhibitors may enter each lot appropriate for their age if they received a blue ribbon in this event in a county 4-H show since Aug. 1, 2018, and it is with the same horse.
7. If a change in horse entries occurs due to an injury or illness, a written letter from a veterinarian must be sent to: 4-H Horse Show, North Dakota State Fair, P.O. Box 1796, Minot, ND 58702. Substitutions will not be allowed without previous notice.
8. Any surgical procedure, injection of any foreign substance or drug, or the external application of any substance (irritant, counterirritant or similar substance) that could affect the animal's performance or alter its natural contour, confirmation or appearance, except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
9. Stalls are being used by exhibitors in other horse shows and will not be available until Sunday afternoon. No stalls will be available for the open show. 4-H horses are to be stalled between noon and 6 p.m. on Sunday, July 21, or by 8 a.m. on Monday, July 22. Horses with stalls must remain on the fairgrounds until your classes finish on Tuesday or Wednesday.
10. **No riding in the barns is allowed!** This is a safety issue. Premiums may be withheld and expulsion from the fairgrounds may result from violation of this rule.
11. Exhibitors are required to purchase a trailer pass in advance. The pass must remain on the trailer while it is parked on the state fairgrounds. Parking passes for horse show exhibitors will be given only for days the exhibitor is entered in a horse show. Camping passes must be pre-purchased because limited camping facilities are available on the grounds.
12. The rules and guidelines in *GBH092, "North Dakota Horse Show Rules" (dated 2018), will apply. Show management reserves the right to interpret the rules as necessary for issues not clearly defined.
13. Dress code: All exhibitors will be neatly dressed and must wear a long-sleeved, solid white shirt with a 4-H emblem on the front, left side of shirt. In addition, exhibitors must wear ASTM-SEI approved harness helmets for all mounted events (Western hats are permitted for showmanship), Western boots, blue or black jeans (dark colored) and a belt. For English events: conservative-colored coat, breeches or jodhpurs, and boots appropriate for hunter classes. Colored shirts are permissible. Conservative-colored ASTM helmet with harness securely fastened must be worn when mounted. Gloves are permitted only in English events.
14. Exhibitor number(s) must be clearly visible on both sides of the saddle pad in all classes. Exception: In showmanship at halter, one number can be clearly displayed on the 4-H'er's back. Do not cut or trim the exhibitor number. Officials may reduce ribbon placing if the exhibitor numbers are not displayed correctly.
15. If an adult is present and nothing is going on in Arena II, horses may be warmed and exercised prior to and after the show. For more information about riding times, please see posted announcements. Riding or exercising in the cattle tie-out area is not permitted.
16. Entrants must be ready at the time they are called. Equipment failures or horse injuries will forfeit the entry. Let the gate person know of potential conflicts, such as showing in the other arena on Tuesday or participating in another 4-H show. Reasonable efforts will be made to accommodate schedules.
17. If a horse becomes unruly in the arena or on the premises, the horse and exhibitor shall be dismissed from the ring or premises.
18. Unsportsmanlike conduct or abusive language or actions on the part of any 4-H exhibitor, parent, family member or leader may result in penalization determined by the 4-H horse show committee.
19. Only exhibitors and show officials will be allowed in the ring while the show is in progress. Exhibitors wishing to discuss any matter with the judge must contact the ring steward (after completion of the class), who will arrange an appointment if the judge approves. The judge's decision in all classes is final.
20. The Amanda Ebensteiner Memorial Award is presented annually to the champion 4-H Western horsemanship winner in the 12- to 14-year-old division at the North Dakota State Fair. In 1987, Amanda Ebensteiner became a member of the Ramsey Riders 4-H Club in Devils Lake, and during the next 10 years, she participated in nearly two dozen 4-H project areas. But anyone who knew her had no doubt that Amanda's first love was horses. Amanda's quiet, mild manner gave way to a determined and focused competitor in the show ring. Her performance was evidence of her hard work and dedication. Amanda lost her long battle with cancer on July 6, 1997, but her strength and determination should continue to be an inspiration to us all.
21. 4-H horse show schedule is combined with the 4-H schedule at the beginning of this exhibit list. The starting time is listed for the first event of the day. Other classes will follow in sequence as much as possible. Exhibitors should be ready in the event that schedule changes are necessary. Show management has the right to make schedule adjustments if needed to meet time requirements.

22. A belt buckle high-point award will be presented to the top exhibitor in each age group at the end of the show. Points are determined by place and ribbon in each lot/event.

4-H Poultry

1. Use the 4-H entry form for poultry, but mail the form to the North Dakota State Fair by Friday, July 5, to reserve cages for your birds.
2. Poultry must be healthy. All entries are subject to inspection by the State Fair and are to be free of parasites and disease. Poultry exhibited that does not appear healthy will be removed.
3. **Exhibition/Show Poultry Guidance**

If you are planning on exhibiting birds in North Dakota, you have one of three choices:

1. Become a National Poultry Improvement Plan (NPIP) flock

OR

2. Test exhibition birds within 90 days of the exhibition

OR

3. Purchase exhibition birds from NPIP sources (flock, hatchery or retail location selling from an NPIP-approved source)

AND

- a. Complete a Poultry Exhibition Statement of Origin form SFN 60329 (2-2013), including required signatures.

This form must accompany the birds to exhibits/shows.

- i. The form can be found on the North Dakota Department of Agriculture's website:
www.nd.gov/ndda/forms/poultry-exhibition-statement-origin-sfn-60329

AND

- b. Have the birds banded prior to exhibition.

- i. Chickens, turkeys and game birds, except baby poultry, must be individually identified with a leg or wing band.

4. The fair will provide show cages for exhibiting poultry. Exhibitors are responsible for care of the poultry; however, the State Fair will provide feed, water and bedding for a fee of 50 cents per bird or \$1 per pair or trio, payable at registration.
5. Entry constitutes agreement with all general rules, livestock exhibitor guidelines and the IAFE National Code of Show Ring Ethics as printed in this exhibit list. Exhibitors must provide care for their animals exhibited from entry until release at the end of the fair.
6. Entries are limited to two per lot per breed and a total of 12 entries per exhibitor.
7. Exhibitors must be present during judging. Animals will be brought to the table for show. Exceptions may be made by the judge or show superintendent.
8. Market animals may not be shown in breeding lots.
9. Champions and reserve champions may be selected in groups designated in bold with at least five entries or at the discretion of the judge.
10. Exhibitors are encouraged to enter showmanship and may sign up at registration.

Class

Showmanship

All exhibitors may enter the showmanship competition. Exhibitors must show their own animals in showmanship lots, and the animal also must be shown in another class. Two participants will be selected from each age division for the round-robin contest.

- 1701 Junior showmanship (exhibitor age 8 to 11 before Sept. 1, 2018)
- 1702 Intermediate showmanship (exhibitor age 12 to 14 before Sept. 1, 2018)
- 1703 Senior (exhibitor age 15 to 18 before Sept. 1, 2018)

Breeding Rabbits – Class 6 Breeds

- 1711 Junior buck, 3 to 5 months
- 1712 Intermediate buck, 6 to 8 months
- 1713 Senior buck, more than 8 months
- 1721 Junior doe, 3 to 5 months
- 1722 Intermediate doe, 6 to 8 months
- 1723 Senior doe, more than 8 months

Breeding Rabbits – Class 4 Breeds

- 1731 Junior buck, under 6 months
- 1732 Senior buck, 6 months and older
- 1741 Junior doe, under 6 months
- 1742 Senior doe, 6 months and older

Market Rabbits

- 1751 Individual small fryer – 2½ to 4 pounds, up to 65 days
- 1752 Pen of three small fryers – 2½ to 4 pounds, up to 65 days
- 1753 Individual large fryer, 4 to 5½ pounds
- 1754 Pen of three large fryers, 4 to 5½ pounds
- 1755 Individual roaster, more than 5½ pounds, less than 8 months
- 1756 Individual stower, more than 5½ pounds, more than 8 months

Pet Rabbit

- 1767 Any rabbit kept as a pet

4-H Sheep

1. All livestock must be identified with a clearly visible ear tag or tattoo. Tattoos will be accepted only for registered livestock and must be accompanied by breed registration papers.
2. 4-H entries will be made online or with the form used for open class and FFA livestock entries. Entries must be in the State Fair office by Friday, July 5. Enter the open class online at www.ndstatefair.com.
3. Entry constitutes agreement with all general rules, livestock exhibitor guidelines and the IAFE National Code of Show Ring Ethics as printed in this exhibit list.
4. Animals must be owned or leased, with daily management by the 4-H member who enters the animal, by May 1. Any animal born after May 1 must be a progeny animal owned from the date of its birth by the exhibitor. Leases must be on file in the exhibitor's county office of NDSU Extension.
5. Entries are limited to two per lot per breed and a total of six entries per exhibitor.
6. Sheep showing evidence of infectious eye or skin lesions will be dismissed at any time during the fair. No early releases. No health certificate required for in-state sheep. Rams 6 months of age and older that have crossed state lines must have an approved Brucella ovis test or the flock of origin must have a negative Brucella ovis status. All sheep except market wether lambs must have a scrapie identification tag. For complete health requirements, see the open class exhibit list.
7. Sheep breeding lots for registered animals with papers will be subdivided by breed. You must show papers at check-in. Breeds with fewer than three entries will be combined in All Other Wool Breeds (AOWB) or All Other Meat Breeds (AOMB) groups. A champion and reserve champion ewe and champion and reserve champion ram for each breed may be selected.
8. Breeding classes may be split by age (if entries merit) or combined (if fewer than three entries) upon show manager discretion.
9. Crossbreds, grade animals of all breeds and registered animals without papers will be shown as commercial. A crossbred is any animal that is the result of mating two or more different breeds.
10. Market ewe lambs cannot be shown in breeding sheep classes.
11. Market wether lamb and market ewe classes will be shown on the basis of weight. Following weigh-in, show management will determine the weight groups according to distribution and number of animals, with no more than 10 in each group. Class weight groups will be posted. Lambs standing first and second in each weight group will be considered for champion and reserve champion 4-H market lamb. Market wether/ewe lambs will be shown as finished and must weigh at least 90 pounds for most breeds to qualify for champion consideration. Miniature breeds (such as Babydoll Southown) will have a separate weight group eligible for champion consideration. Underweight lambs will be shown in a premier class and will not be considered for champion market lamb.
12. Muzzles: Exhibit animals will not be muzzled while on the fairgrounds.
13. Market lambs must be shorn before weigh-in and come to the scale dry and bare.
14. No lifting or slapping of lambs. A quick lift to set the front legs is permitted.

15. A second 4-H member is allowed to set legs in breeding classes only. A second member is not allowed in market classes or showmanship. The second member must follow the 4-H dress code.

Class

Showmanship

All exhibitors may enter the showmanship competition. Exhibitors must show their own animals in showmanship lots, and the animal also must be shown in another lot. Two participants will be selected for the round-robin contest.

- 1801 Junior showmanship, (exhibitor age 8 to 11 before Sept. 1, 2018)
- 1802 Intermediate showmanship, teen/senior (exhibitor age 12 to 14 before Sept. 1, 2018)
- 1803 Senior showmanship (exhibitor age 15 to 18 before Sept. 1, 2018)

Sheep Breeding

- 1811 Spring ewe lamb, born January 2019 or later
- 1812 Fall ewe lamb, born September through December 2018
- 1813 Yearling ewe, born September 2017 through August 2018
- 1821 Spring ram lamb, born January 2019 or later
- 1822 Fall ram lamb, born September through December 2018
- 1823 Yearling ram, born September 2017 through August 2018

Market Sheep

- 1851 Market ewe lamb
- 1852 Wether lamb

4-H Swine

1. All livestock must be identified with a clearly visible ear tag or tattoo. Tattoos will be accepted only for registered livestock and must be accompanied by breed registration papers.
2. 4-H entries will be made online or with the form used for open class and FFA livestock entries. Entries must be in the State Fair office by Friday, July 5. Enter the open class online at www.ndstatefair.com.
3. Entry constitutes agreement with all general rules, livestock exhibitor guidelines and the IAFE National Code of Show Ring Ethics as printed in this exhibit list.
4. Animals must be owned or leased, with daily management by the 4-H member who enters the animal, by May 1. Any animal born after May 1 must be a progeny animal owned from the date of its birth by the exhibitor. Leases must be on file in the exhibitor's county office of NDSU Extension.
5. Entries are limited to two per lot per breed and a total of six animals per exhibitor.
6. Swine will be checked by a veterinarian as they enter the barn. No early releases. A health certificate is not required for swine from North Dakota. For complete health requirements, see the open class exhibit list.
7. A champion and reserve champion female and male for each breed may be selected.
8. Swine breeding lots for registered animals with papers will be subdivided by breed. You must show papers at check-in. Breeds with fewer than three entries will be combined in an All Other Breeds (AOB) group.
9. Breeding classes may be split by age (if entries merit) or combined (if fewer than three entries) upon show manager discretion.
10. Crossbreds, grade animals of all breeds and registered animals without papers will be shown as commercial.
11. Market gilts cannot be shown in swine breeding classes.
12. Each show will be increasing its minimum weight for market hogs to be eligible to compete in the market show. Market hogs will be shown as finished. If a pig falls below the minimum weight of 220 pounds, it automatically will be placed in the premier market hog class and will not be eligible for consideration for champion or reserve overall market hog

selection. If a pig weighs more than 300 pounds, it will be placed in an overweight class and will not be eligible to return for consideration for champion or reserve champion overall. Each of the market barrow and gilt divisions will be shown on the basis of weight classification.

13. The swine show will operate under a declare-your-weight process for market animals as well as crossbred breeding gilts. This means exhibitors are responsible for weighing their own hogs during the weigh-in period on Tuesday, July 23. The weigh-in period will run from noon until 4:30 p.m. Weight cards will be available Tuesday morning for exhibitors to pick up to record their pig's weight and other required information. The cards will be in triplicate form. The first copy must be submitted to 4-H or FFA, the second copy will be turned in to the open class superintendent, and the third copy will be for the exhibitor's records. Required information will be the exhibitor's name; exhibitor's number; pig tag number; whether the animal is a barrow or gilt and market or breeding gilt; and pig weight on the 4-H/ FFA card circle indicating in which show the animal will be shown. Use the other card circle if it will be shown in the open and junior show. All weight cards must be submitted to the appropriate superintendents by 4:30 p.m. on Tuesday, July 23. If weight cards are not turned in by the 4:30 p.m. deadline, those animals will not be eligible to show in their respective shows. Along with declaring your weight, a weigh-back is required for each of the shows. The top two animals in each class will be weighed immediately following their class to determine if they are eligible to return for the overall drive. If a pig does not weigh within the allotted 15-pound weight allowance, it will be dropped to a red ribbon placing and will not be eligible for champion/reserve market hog competition. The next pig in the lineup will move up in class and be called to the scale for a weight check. Following the weigh-in time period and declaration of weight, the management will determine the division of the lots according to the weight distribution and number of animals, with no more than 10 in a group. Class weight breakdowns will be posted.

4-H Static Exhibits

General Guidelines

1. These guidelines apply to exhibiting in the North Dakota State Fair 4-H Department. County fairs and achievement days may have different requirements, guidelines or rules.
2. Static exhibits are items made or reports and posters to show what was learned in a project.

3. Unless otherwise noted, the exhibitor is limited to two exhibits in one class or group. County rules may be different.
4. Except for crop production, horticulture and classes ending with 00, classes for exhibitors age 8 to 12 will be odd numbers and classes for exhibitors age 13 to 18 will be even numbers.
5. For management purposes, some projects or exhibit areas have been divided into groups. This helps judges and record-keeping.
6. Record books may be included as part of a display if they support the education in the display. Record books as an entire exhibit will not be judged or receive a premium at the State Fair.
7. Please write other information you wish to share with the State Fair judge on a notecard. At the State Fair, judges must make their decision only on the item and any additional information provided, such as that on a notecard.

Guidelines for Posters

Posters often are used to show what has been learned or how to do something when the item made does not make the best exhibit or display of what was learned. Judges evaluate posters on two aspects: the appearance and the content. Both are considered in the final placing.

Readability

1. Letters should be read easily.
2. Printing should be consistent with general rules for style, weight, size and case. Hand lettering should conform to a generally practiced style.
3. The title should be in larger lettering than the content.
4. Space is limited at the North Dakota State Fair. Please use the smallest size poster or trifold display boards possible. The size cannot exceed 36 by 48 inches for trifold display boards and must be a minimum of 18 by 23 inches. Keep the posters to a maximum size of 14 by 22 inches if possible (one-half sheet of standard poster board). Please be aware that poster board exhibits may be hung with thumbtacks.
5. Have sufficient space around the edges and between the areas of lettering.

General Appearance

1. Copy should be brief and appropriately placed, and have comfortable margins.
2. The poster should be illustrated effectively. The illustration should have appropriate impact.
3. Posters should attract attention. The color should have a pleasing effect.

Message

1. The message should be appropriate, brief and clear to the viewer. A single thought should be conveyed.

Materials

1. The poster should be made on high-quality poster board using good lettering devices or techniques and good-quality poster paints or markers.
2. Three-dimensional items should be attached securely so they do not fall off.

Tips for Effective Posters and Charts

1. Posters should be easy to read. Words should be spelled correctly.
2. Posters should have a theme; illustrations should emphasize and support the theme.
3. Use different shapes, sizes and colors.
4. Lowercase letters are easier to read than uppercase letters. A few uppercase letters are all right for emphasis and variety.
5. Posters should be just large enough to carry your message – no larger.
6. Use as few words as possible.

■ Animal and Veterinary Science Projects

1. Each exhibitor may enter a maximum of two exhibits in each group if you are enrolled in the project listed.
2. If quality merits, champions may be selected from each group.

Class

Group 1: Apiary, Veterinary and Other Animal Science

- 2000 Animal science project exhibit that does not fit one of the areas
- 2001 Display of work for the Veterinary Science project, exhibitor age 8 to 12
- 2002 Display of work for the Veterinary Science project, exhibitor age 13 to 18
- 2003 Display or product from the beekeeping project, exhibitor age 8 to 12
- 2004 Display of work for the beekeeping project, exhibitor age 13 to 18

Group 2: Large Animals (including beef, dairy, goat, sheep and swine)

- 2011 Item/display completed in the beef project, exhibitor age 8 to 12
- 2012 Display of work for the beef project, exhibitor age 13 to 18
- 2021 Item/display completed in the dairy cattle project, exhibitor age 8 to 12
- 2022 Display of work for the dairy cattle project, exhibitor age 13 to 18
- 2031 Item/display completed in the goat project, exhibitor age 8 to 12
- 2032 Display of work for the goat project, exhibitor age 13 to 18
- 2041 Item/display completed in the sheep project, exhibitor age 8 to 12
- 2042 Display of work for the sheep project, exhibitor age 13 to 18
- 2051 Item/display completed in the swine project, exhibitor age 8 to 12
- 2052 Display of work for the swine project, exhibitor age 13 to 18

Group 3: Horse

- 2061 Item/display completed in the horse project, exhibitor age 8 to 12
- 2062 Display of work for the horse project, exhibitor age 13 to 18

Group 4: Pets (including cat and dog)

- 2071 Item/display completed for the pet project, exhibitor age 8 to 12
- 2072 Display of work for the pet project, exhibitor age 13 to 18

Group 5: Small Animals (including rabbits and poultry)

- 2081 Item/display completed in the rabbit project, exhibitor age 8 to 12
- 2082 Display of work for the rabbit project, exhibitor age 13 to 18
- 2091 Item/display completed in the poultry project, exhibitor age 8 to 12
- 2092 Display of work for the poultry project, exhibitor age 13 to 18

Group 6: Eggs (eggs are to be from your production in the poultry project)

- 2093 White chicken eggs, one dozen
- 2094 Brown chicken eggs, one dozen
- 2095 Colored chicken eggs, one dozen
- 2096 Eggs from other poultry, six eggs

■ Plant Science Projects

Crop Production

1. Each exhibitor may enter once per class per variety. Exhibitors are permitted to enter more than two entries per group but are limited to a maximum of 10 entries.

2. Please list the variety name on the label. Your exhibit is an opportunity to teach the public about crops in North Dakota; providing the variety name helps educate.
3. Entry size is 1 quart for all lots of harvested grain and seed from the 2018 or 2019 crop. Exhibits will be placed in display boxes at the State Fair. Zip-top-type bags work well for delivery to the fair. Please do not send exhibits in heritage-type jars or any container you want returned.
4. Grain need not be grown by the 4-H member. If grain is not grown by the 4-H member, the member must receive permission from the producer.
5. Champions may be selected from each group if the quality and quantity merit. Champions may be selected in wheat classes because special premiums are provided by the North Dakota Wheat Commission for wheat seed classes and wheat sheaves.
6. Crop Production class 2101 is for displays that explain and educate the viewer of some crop production practice or factor.
7. The North Dakota Crop Improvement and Seed Association will provide an additional premium for the top exhibitor in crop production based on a formula of quality and quantity of exhibits in classes beginning with 21.

Class

- 2101 Item/display of Crop Production

Harvested Grain and Seed

Group 1: Wheat

- 2111 Hard red spring wheat
- 2112 Winter wheat
- 2113 Durum wheat

Group 2: Other Small Grains

- 2114 Oats
- 2115 Barley
- 2116 Rye

Group 3: Beans

- 2117 Pinto beans
- 2118 Navy beans
- 2119 Black beans
- 2120 Other beans

Group 4: Peas and Soybeans

- 2121 Peas – yellow
- 2122 Peas – green
- 2123 Chickpeas
- 2124 Soybeans

Group 5: Other Large-seed Crops

- 2125 Sunflowers – oil
- 2126 Sunflowers – nonoil
- 2127 Corn, 1 quart grain or 10 ears
- 2128 Lentils
- 2129 Safflower
- 2130 All other large-seed crops

Group 6: Other Small-seed Crops

- 2131 Canola
- 2132 Flax
- 2133 Millet
- 2134 Alfalfa
- 2135 All other small-seed crops – grass seed, mustard, rape seed and others

Group 7: Small-grain Sheaves

1. Small-grain sheaves should be stripped of leaves if headed, and roots should be removed.
2. Small-grain sheaves should measure 2½ to 3 inches in diameter halfway between the butt and the head.
3. Sheaves should be tied firmly and securely in three to four places.

- 2136 Sheaf of wheat and durum
- 2137 Sheaf of barley, oats, rye or other similar small grain
- 2138 Sheaf made of other grass plant species, flax, millet, etc.

Group 8: Forage Sheaves

1. Forage sheaves should be 3 to 4 inches in diameter at the butt.
 2. Tie the sheaf in two to four places as needed.
 3. Legume sheaves are best shown as a fresh (but not wet) sheaf.
- 2139 Sheaves made of alfalfa, sweet clover and similar forages

Group 9: Other Sheaves and Plant Exhibits

1. Display with leaves on and roots removed.
 2. Tie stalks in three to four places.
 3. These sheaves or collection of stalks are best shown in a freshly cut condition.
- 2140 Sheaves made of soybeans, beans, peas, canola and similar crops
 - 2141 Corn – four stalks
 - 2142 Sunflower – four stalks
 - 2143 Sugar beets (exhibit three beets, cut tops at 1 to 2 inches)
 - 2144 Other crops – not listed in classes 2136 through 2143

Horticulture

1. The State Fair will provide exhibit containers for garden produce.
2. Your exhibit is an opportunity to educate the public. While not a requirement for the exhibit, listing the variety on the label provides educational value to the public viewer.
3. Publication GCC091, "Harvesting and Exhibiting Vegetables," available online at www.ndsu.edu/4h/programs_events/state_fair/, provides exhibit guidelines.
4. Exhibitors may enter once per class in the Garden Produce section (groups 1 to 9) at the State Fair. Exhibitors are permitted to enter more than two entries per group.
5. Because the timing of fairs varies, exhibitors may enter in different lots at the State Fair than were entered at the county fair.
6. Vegetables will be judged on uniformity, maturity, correct number and preparation, full size, color and shape, firmness, and whether they are free of damage from insects, disease or mechanical injury.
7. If quality merits, champions may be selected from each group.
- 8 Vegetable garden collections will receive an additional 20 premium points.

Class

Vegetable Garden Collection

- 2500 Garden collection of five vegetables species – exhibit one large, three medium or five small of each vegetable type included in the collection. Exhibitor should provide a display box lined with white paper.

Group 1: Peas and Beans

- 2501 12 beans, green or yellow with calyx
- 2502 12 peas with calyx

Group 2: Root Crops

- 2505 Beets, tops 1 to 1½ inches long; may wash, leave root; exhibit six
- 2506 Carrots, 1- to 1½-inch tops; may wash; exhibit six
- 2507 Parsnip, cut tops 1 to 1½ inch long; leave tap root; exhibit three
- 2508 Six radishes, globe or icicle; show with 1- to 1½-inch tops and tap root
- 2510 Rutabaga, cut tops to 1 to 1½ inches; leave tap roots; exhibit three
- 2511 Three turnips, show with 1- to 1½-inch tops; leave tap root

Group 3: Greens and Leafy Crops

- 2512 Broccoli, exhibit one head with minimum diameter of 3 inches; remove all leaves, head and stock 6 to 8 inches long
- 2513 Cabbage, show with one or two green wrapper leaves; remove loose leaves, trim root smooth with the vase of leaves
- 2514 Celery, one plant; bunch, trim leaves uniformly, cut roots even with stock
- 2515 Cauliflower, show one; trim leaves even with outer edge of head, remove older leaves, cut stem 1 inch below base of head
- 2516 Kohlrabi, show three; remove root at base, cut off all leaves to 1 to 1½ inches of the bulb
- 2517 One lettuce head (remove outer leaves that show yellowing) or three leaf lettuce plants (wrap roots in wet paper and cover with plastic)
- 2518 Spinach plants, show three, with washed roots (wrap roots in wet paper and cover with plastic)
- 2519 Swiss chard plants, show three; trim older leaves, leave root, wrap root in wet paper and cover with plastic

Group 4: Vine Crops

- 2520 Cucumbers, six pickling with ½-inch-long stem or three slicing, 6 to 8 inches long
- 2522 Eggplant with 1 inch of stem; exhibit one
- 2523 Muskmelon, stem removed; exhibit one
- 2524 Pumpkin, 2- to 3-inch stem attached; exhibit one
- 2525 Squash, summer – zucchini type, not more than 8 inches long, stem attached; exhibit three
- 2526 Squash, other, normal harvest size, stem attached; exhibit one
- 2527 Watermelon, with 1- to 1½-inch stem; exhibit one

Group 5: Onions and Garlic

- 2528 Six onions, green table; remove outer covering on bulb, trim tops so overall length is 6 to 8 inches; trim roots to about ¾ inch
- 2529 Six onions, mature, white, red, yellow; show with outer scales on, tops 1 inch long; trim roots to about ¾ inch
- 2530 Six garlic, 1-inch stem; trim root to 1 inch of bulb

Group 6: Peppers and Tomatoes

Photography

1. 4-H members enrolled in photography may enter two exhibits in State Fair 4-H photography. County rules may be different.
2. Print the name of the exhibitor on the back of each photograph and completed exhibit.
3. Photos will 5- by 7-inch or larger as appropriate (but not larger than 14 inches on any side). Eight- by 10- inch enlargements are recommended. The original photo in before-and-after classes may be 4 by 6 inches.
4. Prints may be cropped to improve composition and may be nonstandard sizes, provided they meet the minimum size of 5 by 7 inches.
5. Mount exhibits with multiple photos on appropriately sized display board. Please keep the display board as small as needed and try not to exceed 16 by 20 inches. Poster board exhibits may be hung with thumbtacks.
6. Hangers are not recommended. However, if a hanger is attached because it was needed for your county show, please use hanger types that will not scratch/damage other photographs.
7. Matting is recommended for all individual photograph exhibits.
8. The use of frames is discouraged. The reason for this is to protect other photographs from damage. Exhibits can be protected in transportation to and from the State Fair and while they are in the preparation phase before display by placing them in plastic bags with a zip-type closure (gallon-size bag works well for most photos).
9. For best display, please place the exhibit tag on the upper right corner on the front. Tape can go to the back of the mat so it does not damage the mat.
10. Please include a photo tag on the back of the photo to provide judges with additional information about the exhibitor, equipment used, and photo preparation and printing. A label

for this information is available at your county office of NDSU Extension.

11. All photos must be taken by the exhibitor.
12. Enter educational displays about photography (posters, reports, etc.) in Educational Exhibits classes 6001 and 6002.

4-H Photo Exhibition

1. Exhibitor may enter one 8- by 10-inch photo along with the digital file of the photo (on flashdrive, digital memory card, etc.). This entry in the photo exhibition class does not count as one of your photography exhibits.
2. Include a photo exhibit label (for the back of the photo) with name, county, age, type of camera used, location where photo was taken and other relevant information.
3. The photo must depict North Dakota and must be taken by the exhibitor.
4. Print may be cropped to improve composition, provided it meets the size requirement for the exhibit.
5. To protect the exhibits in transportation to and from the State Fair and while they are in the preparation phase before display, place photos with cardboard for stability in a zip-type closure bag (gallon-size works well for 8- by 10-inch photo).
6. Place an exhibit tag in the bag with the photo.
7. The 4-H department will print a copy of selected photos from the digital file. They will be framed and placed on display in the Center for 4-H Youth Development or other public offices across the state. Entry in class 5600 means the exhibitor agrees to allow the photo to be placed on display in public offices. The 8- by 10-inch photo submitted by the exhibitor will be returned to the exhibitor at the close of the fair.

Class

- 5600 Photo exhibition exhibit

Educational Exhibit

1. Exhibitors may enter two educational exhibits. Each exhibit should be about a project in which you are enrolled. Each exhibit should be on a separate project. The exhibit is to teach the viewer how something works, how something is created, techniques of a project, the process behind the resulting exhibit, etc. (Examples might include: how a camera works, how to create depth in a painting, how a plant grows, the process of metal fusing in welding)

Food Preservation

Food Preservation Guidelines

1. Canned exhibits must have been preserved in the past 12 months. The exhibit must be put in a standard canning jar such as quart, pint or jelly jar. If canning jars smaller than a pint are used, processing should be done according to pint processing guidelines. A jar ring should remain on the jar.
2. Canned foods must have a label attached to the jar. The label must include the name of the product, date, method of processing, length of processing time, altitude and exhibitor's name. Labels for vegetables, fruits, meats, pickles and mixes also should include the type of pack and pounds of pressure used. Examples of the label are in the project manual and on the website: www.ndsu.edu/4h/programs_events/state_fair.
3. Tie tags for canned items around the neck of the jars.
4. Canned goods must follow U.S. Department of Agriculture (USDA) guidelines. The USDA does not approve of the inversion method of sealing canned goods; therefore, all exhibits must be processed. Tomato products must be made using research-based recipes only (recipes from the USDA or Kerr). Include a copy of the recipe and list its source.
5. Each exhibitor may enter two different products per class, with a maximum of four exhibits in food preservation.
