

Dining Hall and Kitchen

The dining hall is ideal for meals and can be used for conferences, retreats, meetings and special events. It can serve about 100 guests using dining tables and chairs. A full kitchen, if requested, also is available to assist you with food preparation and food storage for your event. The dining hall and kitchen have heat, air conditioning and a ventilation system for year round comfort.

The North Dakota 4-H Camp is on 80 acres of wooded riverfront property 1.5 miles west of Washburn, N.D. on County Highway 17. It has provided overnight camping to youth for more than 40 years. The camp is strategically located between the Lewis and Clark Interpretive Center and historic Fort Mandan along the Missouri River.
