Did you know that automobile crashes have been the leading cause of death for American teens for generations? Impact Teen Drivers has emerged as a leading nonprofit organization dedicated to reversing this pervasive yet 100 percent preventable crisis. Impact’s mission is to change the culture of driving forever, saving lives not only in this generation of drivers, but also in all future generations of drivers.

Impact Teen Drivers is an evaluated, evidence-based program designed to reach youth, parents and community members about the dangers of reckless and distracted driving.

Become an Impact Teen Driver facilitator and bring this lifesaving message to North Dakota youth.
