4-H Consumer Management

North Dakota 4-H Project Sheet

Use the consumer management project to get more bang for your buck! Find out how to use your money to get the things you want.

- Practice life skills, including the wise use of resources, goal setting and sharing with others.
- Learn to make sound decisions related to spending and saving your money.
- Identify needs and wants, and how you spend your money on each.
- Become a skilled consumer.
- Make informed consumer decisions to reach your goals and solve problems.
- Know your rights as a shopper.

Pass it on!
Now that you know how, share it with others. Here are ideas to get you started.

Communication

- Design a poster comparing similar products.
- Do a presentation about advertising techniques.
- Talk to a group about different online shopping sites and their advantages and disadvantages.

Citizenship

- Give a portion of your money to a cause in which you believe.
- Volunteer to help manage money at a fundraiser.

Here's what you can do all year!

4-H Consumer Management

North Dakota 4-H Project Sheet

Opportunities to explore consumer management:

- Visit a local bank and learn about savings and credit opportunities.
- Help your club manage its resources by running for club treasurer.
- Organize a food or clothing pantry to benefit local residents.
- Visit a local used clothing store and learn how it evaluates and prices its merchandise.
- Is it fair time? Consider taking an exhibit or a piece of your project learning to the local fair for judging and to show off what you have learned throughout the year. It might get selected to go to the North Dakota State Fair.
- Attend the Extension Youth Conference and participate in workshops, motivational speakers and a community service project, bringing ideas back to your community.
- Interested in a college education in the area of business or agricultural business? Schedule a visit with North Dakota State University (www.ndsu.edu).

Exhibit Ideas

- Compare the price of similar pieces of clothing (jeans, jackets, shoes) at a variety of stores.
- Track your spending for a month and see where your money goes.
- Track your spending related to a 4-H project (livestock, photography, clothing, pets).
- Track how you spend another of your resources: time.
- Explore advertised products targeting various audiences on television (children’s programs, prime time, sporting events).
- Describe the cost of fraud (shoplifting, bad checks).
- Describe potential problems related to privacy issues (Social Security numbers, credit cards, online shopping).
- Identify agencies that assist in resolving consumer complaints.
- Investigate where products are manufactured.
- Compare TV, radio and online ads to print ads.
- Prepare a product complaint letter.
- Describe decision making when purchasing an expensive product.
