What is 4-H up to?

Join more than 500 other shooting sports instructors who provided more than 15,000 hours of service in 2017!

Over 20,000 youth attendance 4-H shooting sports activities in 2017!

Youth in air rifle compete in 60 shot, 3 Position, 40 shot, Standing, and 40 shot silhouette matches. Currently, the air rifle program is growing. We have two indoor matches at this time with a third one desired. The state air rifle match is in March in Devils Lake. It is a 3P Match.

Our volunteers are the heart and soul of the program. They contribute hours of their time to hold practice, to teach technique, goal setting, patience, dedication, responsibility, fairness, and service.

Who is this training for?

This training is for any adults who want to work with youth. 4-H youth protection and volunteer training must also be completed by the county before you are able to instruct youth. Approved 4-H volunteers need only be certified.
