This is a basic air rifle instructor training course designed to teach volunteers who want to work with youth in shooting sports. It will cover shooting instruction and range management according to 4-H guidelines. The course includes range procedures, safety, equipment, liability, risk management, instructor expectations, and fundraising.

The 4-H Shooting sports program is putting emphasis on expanding the air rifle program. Training will be free for the next two years. Prospective volunteers should contact their local county extension agent to express their interest and begin arrangements to attend a training workshop.
