4-H Chaperone Orientation

Reflection

Name ________________________________

Events interested in chaperoning ________________________________

Please answer the following after you have completed the online Chaperone Orientation for 4-H Events.

1. Select two of the chaperone expectations and describe why you think they are important.

2. Think about the ages of the participants of the events you would like to chaperone. Describe at least two of the characteristics of that age group and the implications for you as a chaperone.

3. What would you do as a chaperone if you were to become aware of bullying behavior at an event?

4. Why do you want to serve as a chaperone for ________________________________?
