8:30-9 p.m.	4-H Project Exploration and Evaluations

## You Make a Difference: 4-H Volunteer Impact

The North Central Region 4-H Volunteer Impact Study, a 12-state study of 4-H volunteers, was conducted in the fall of 2018. Discover the personal, organizational and community impacts of volunteering for 4-H youth development and how you have made a difference.

## Session 1 Workshop Topics

### Ag Challenge Break Out

Discover how 4-H leaders and volunteers can use the escape room phenomena to engage 4-H'ers in science and agriculture learning. Participants will be divided into teams and race against the clock to "break out" using problem-solving skills, and agriculture and science knowledge.

### Service Learning Inspires Kids to Do More

Learn how to take 4-H service projects to the next level by giving youth a voice and expanding their learning. This hands-on workshop will send you home inspired and ready to have your 4-H youth do more.

### 4-H Gardening: Propagating Plants This Winter

Late fall or winter is a great time for indoor gardening. This session will let you experiment with plant propagation techniques you can teach in your 4-H club meetings.

## Session 2 Workshop Topics

### Building With the B: 4-H Wood Working Project for Archery

The Environmental Science project contains many fun and exciting projects for youth to complete. This session will examine some hands-on activities in the 4-H Fishing curriculum, and workshop attendees will complete an archery woodworking project.

### 4-H Communication Arts: Words are Only Part of What We Say!

Are you incorporating Communication Arts in your regular 4-H meetings and experiences? Practice Communication Arts in a meeting setting or in an activity, and explore the categories of the contest.

### Biosecurity Activities: Inspire Kids to Do While Protecting Animals and You

Learn how to utilize fun activities to introduce 4-H'ers to the subject of biosecurity. These activities allow 4-H'ers to engage in learning methods of animal disease transmission, recognizing biosecurity signage and procedures, and taking pride in biosecurity measures on their own farm and within the industry.

## 4-H Exploration Table Topics

- 4-H Chef-for-a-Day Grill-off Contest
- 4-H Crop Judging Contest
- Celebrating 60 Years of Supporting 4-H
- 4-H Gets Better With Age
- 4-H Shooting Sports Update
- Healthy 4-H Clubs
- North Dakota 4-H Rube Goldberg Challenge 2020
