4-H National Leadership Opportunity

Application Instructions

This awards application is for the selection of delegates to National 4-H Congress, National 4-H Conference and other opportunities that may be announced. Delegates have the opportunity to participate in these experiences and represent the North Dakota 4-H program.

- National 4-H Conference is a weeklong program held at the National 4-H Center, Chevy Chase, Md., in March/April. It is a future-focused program that aims to build strong leaders through roundtable discussions, team-building activities, group assemblies and visits with national legislators.
- National 4-H Congress is held in November/December in Atlanta, Ga. The program provides opportunities to learn about community involvement, cultural diversity and service to others.

Expenses

The North Dakota 4-H Foundation provides partial sponsorships. Delegates will be responsible for travel to and from the airport from home, meals to and from the leadership experience location, optional tours and souvenirs they wish to purchase.

Applicants must

- Be age 15 to 18 by Jan. 1 of the year of the event
- Not have been a delegate to the program in which they are applying
- Be able to miss one full week of school and/or work to attend the program
- Have been a participant in the North Dakota 4-H program
- Be dependable and punctual

If selected, delegates will

- Participate in an orientation and complete pre-program assignments
- Check and respond to email and other online information regularly in preparation for the leadership experience
- Participate fully in the program
- Carry out follow-up responsibilities designated by the 4-H program
- Make public appearances for 4-H

Selection process

- Applications must be postmarked, emailed as a PDF with signatures or hand-delivered by Aug. 1. A selection team will screen applications. Applicants may be contacted for further information.
- Applicants who have not been awarded a National 4-H leadership opportunity previously will be given preference. Delegates will be notified in September. Finalists and alternates will be selected.
- **Please note:** Chosen delegates may be required to travel to an airport that is not the closest to

them due to chaperone location and cost restrictions.

Completing the application

- Application must be completed electronically. Limit responses in the “My Experiences” section to a maximum of four pages, single-spaced, 12-point font.
- In the selection process, **your growth in skills, leadership and community involvement** are given more consideration than the number of 4-H projects completed.
- As you complete the application, remember that while participation in 4-H programs, leadership and community are important, the information you can share when you return from the leadership experience is equally important.
- Please do not send a list of your awards. You may include selected awards as part of the “My Experiences” section of the application.
- Please attach to your application one letter of recommendation relating to the opportunity for which you are applying. This letter may be written by a 4-H leader, teacher, administrator, Extension agent, etc. It should not be written by a relative.
