Reaffirmation and Recertification of Current NDSU Paid Staff

NDSU Extension Service

The North Dakota State University Extension Service is dedicated to the wholesome development of children and families throughout North Dakota and has adopted a Youth Protection Policy as part of that commitment. Continued acceptance as an NDSU Extension Service employee is contingent on clearance through the North Dakota Child Abuse Information Index, and a check against the North Dakota Office of Attorney General’s Convicted Sex Offenders and Offenders Against Children Public List.

A. Adult Behavior Expectations

The adult behavioral expectations of adults (18 years and older) who work with NDSU Extension Service programs are listed below. The primary purpose of identifying these expectations is to protect the safety and well-being of all program participants (youth, their parents and families, paid and volunteer staff). All adults who work with NDSU Extension Service programs are expected to function within these guidelines.

In my role with the NDSU Extension Service I will:

1. Respect the individual rights of all youth and adults.

2. Appropriately represent NDSU Extension Service programs by conducting myself in a courteous, respectful manner; exhibiting good sportsmanship; and being a positive role model.

3. Respect the educational mission of the NDSU Extension Service and adhere to and enforce the policies and guidelines established for county and state programs.

4. Not abuse any youth or adult program participant by physical or emotional means. (If I observe abuse I will report it as outlined in the NDSU Extension Service Youth Protection Policy.)

5. Act quickly and responsively to report any threats regarding the safety and well-being of youth or adult program participants.

6. Not commit any criminal act involving youth, adults or my activities with extension programs.

7. Not use alcohol or illegal drugs or be under their influence while present at youth programs or while having responsibility for youth in NDSU Extension Service programs. I will inform others that alcohol and illegal drugs are not allowed at extension youth programs.
8. Comply with equal opportunity and anti-discrimination laws.

9. Handle animals and operate machinery, vehicles and other equipment in a safe and responsible manner.

I have read and understand the adult behavioral expectations outlined above. I understand and agree that any action on my part that contradicts any portion of these expectations is grounds for the suspension or termination of my role with the NDSU Extension Service.
