

# Feed Bought

Enter each lot of feed as is purchased or received.  
Leave a line between each month's entries so you can total the value of feed for that month.

"Kind" means corn, oats, barley, alfalfa hay, etc. "Amount" means the number of pounds (lbs), bushels (bu) or hundredweights (cwt). "Price" means cost per bushel or hundredweight. "Value" means amount times price.

Date		Kind of Feed	Amount	Price	Value
Month	Day				

*If more space is needed, make your own lined sheet and include it with this record.*

# Dairy Project Expenses

*Expenses:* Include all money spent on projects except feed. Include animals bought during year, insurance, interest, marketing charges, trucking, etc., and any cash outlay for labor.

Date	Items	Expenses
<b>Total of Receipts</b>		\$

# Dairy Project Receipts

*Receipts:* Include all income received from sales and cash awards.  
Estimate value of meat, milk and cream used at home.

Date	Items	Receipts
<b>Total of Expenses</b>		\$

# Dairy Project Business Summary

Complete this page before submitting your record book to your club leader at the close of the club year.  
This is your financial statement for the year and is a simple type of business statement you should complete.
