

TYPO3 cheat sheet – follow tables from top to bottom. Multiple instructions in one table row indicates that there are multiple ways of accomplishing the same task.

- TYPO3 help and login link @ www.ndsu.edu/cms (Direct login link <http://www.cms.ndsu.edu/typo3>)
- Use the View module to preview how a page will look on the the finished Web page (including hidden or time-delayed pages!)
- Use the List module to inspect all elements associated with a page (e.g. child pages, page content, etc).
